

# Note from the Managing Director

## Dear Shareholders,

This financial year marked a period of new beginning for TAJ GVK Hotels & Resorts Limited, reflecting the strength of our portfolio hotels, the resilience of the hospitality sector and the commitment of our people.

During the year under review the Promoter group shareholding has seen a change, where in Indian Hotels Company Limited (IHCL) has sold its entire 25.52% equity share capital held in the company to GVK group shareholders i.e. Promoter Group. This resulted in the termination of Joint venture agreement between GVK Shareholders and IHCL which started in the year 1999–2000 with 2 hotels. Subsequent to the change in the shareholding pattern, IHCL shall continue to operate all the hotels in the company's portfolio and the company has signed the new Hotel Management Agreements with IHCL.

### Standalone Financial Results:

Supported by sustained demand across leisure, business and social travel segments, the Company delivered a strong performance during the year. The Indian hospitality industry continued its growth momentum, driven by increasing domestic travel, a steady revival in inbound tourism and robust demand for premium hospitality experiences. The company has leveraged the strength of its iconic properties and IHCL as the Operator of the hotels, to enhance guest experiences, strengthen market positioning and deliver sustained business growth.

For FY 2025–26, the Company achieved its highest-ever annual revenue of INR 502.52 Crores, representing strong year-on-year growth. EBITDA increased to INR 175.31 Crores, while Profit After Tax stood at INR 116.97 Crores as against INR 94.85 Crores in the previous year, reflecting a 23% growth in the PAT. The company witnessed the benefits of sustained revenue growth, improved operating leverage and disciplined cost management execution across the portfolio. The year was also marked by an 26% growth in RevPAR, underscoring the continued strength of our hotels and brands in a favourable demand environment.

### Performance of Subsidiary Company:

We are happy to inform that during the year under review, the company has bought additional 2.01% equity stake in the JV company i.e. Green Woods Palaces and Resorts Private Limited, which operates the Taj Santacruz hotel at Mumbai Airport, which resulted in Green Woods becoming the Subsidiary company of TAJ GVK Hotels & Resorts Limited. The subsidiary company reported the highest ever topline of INR 236.51 Crores as against of INR 231.83 Crores in the previous year and reported PAT of Rs. 49.04 Crores. The subsidiary company also declared a dividend of Rs.6/- per equity share of Rs. 10/- each fully paid up, subject to the approval of the subsidiary company shareholders in the ensuing Annual General Meeting.

### Consolidated Financial Results:

We are happy to report that the company reported the consolidated Profit After Tax of INR 410.26 Crores as against INR 117.19 Crores in the previous year.

### Dividend:

The company is happy to declare a dividend of 100% i.e. Rs. 2.00/- per share of fully paid-up equity share of Rs.2.00/- each for the financial year 2025–26 subject to the approval of the members at the ensuing annual general meeting.

### Renovation / Refurbishment:

During the year, the company completed renovation/ refurbishment of 24 rooms and public areas in Taj Deccan and completed the major asset enhancement initiatives of New Gym and SPA at Taj Krishna. We the planned renovation/ refurbishment, we are reinforcing our commitment to delivering world-class hospitality experiences. These investments have enhanced guest experiences, strengthened our competitive positioning and together with sustained domestic demand, provide a strong foundation for future growth. Technology continued to play an important role in strengthening our operational capabilities and enhancing the guest experience.

As part of the broader IHCL i.e. Operator ecosystem, our hotels continued to leverage advanced digital platforms, integrated business systems and data-driven insights to improve operational efficiency, support informed decision-making and deliver seamless guest experiences.

Sustainability remains integral to our business philosophy and the company adopted the IHCL's Paathya framework and continued to advance initiatives focused on environmental stewardship, responsible operations and community engagement. I would also like to thank our shareholders, guests, business partners, lenders and all other stakeholders for their continued confidence and support.

My sincere appreciation goes to the Board of Directors for their guidance and stewardship. As we look to the future, we remain confident in the long-term growth potential of the Indian hospitality sector. While uncertainties arising from global economic conditions and geopolitical developments, including those in West Asia, warrant continued vigilance, the underlying demand drivers for the Indian hospitality market remain strong. We are well positioned to pursue sustainable growth and create enduring value for our stakeholders.

I thank you for your continued trust and support.

With Regards,

10. Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of the shareholders and the Company is required to deduct TDS from dividend paid to the Members at prescribed rates in the Income Tax Act, 1961 ('the IT Act'). In general, to enable compliance with TDS requirements, Members are requested to complete and/or update their Residential Status, Permanent Account Number ('PAN'), Category as per the IT Act with their DPs or in case shares are held in physical form, with the Company / Venture capital and Corporate Investment Private Limited by sending documents along with the request in Form ISR-1 at its e-mail ID:info@vccipl.com or update the same by visiting the link: <https://www.vccipl.com/investorkiosk/investorlogin.html-form-15g-15h.html> or send email to investor.relations@vccipl.com on or before 01.09.2026 in order to enable the Company to determine and deduct appropriate TDS / withholding tax rate. No communication/documents on the tax determination/ deduction shall be considered post 11:59 PM (IST) of 01.09.2026. For the detailed process, please click here: <https://tajgvk.in/AGM-FY2025-26>.

A communication providing information and detailed instructions with respect to tax on the dividend for the financial year ended March 31, 2026 is also being sent separately to the Members of the Company whose e-mail addresses are registered with the Company/Depositories.

11. Members holding shares in electronic form are advised to keep the bank details updated with the respective Depositories, viz., NSDL and CDSL. Member holding shares in physical form are requested to update bank details with the Company's Registrar and Share Transfer Agents.
12. SEBI introduced a special, time-bound window from July 7, 2025, to January 6, 2026, for the re-lodgement of physical share transfer requests that were previously rejected or returned before April 1, 2019. This initiative allowed Members to transfer and dematerialize shares that faced procedural or documentation issues, aiming to resolve long-standing legacy, non-disputed ownership cases. In order to further facilitate the investors to get rightful access to their securities, SEBI has opened another special window for transfer and dematerialization of physical securities which were sold / purchased before April 1, 2019. This special window is open for a period of 1 (one) year from February 5, 2026 to February 4, 2027 and is available for such transfer requests which were previously submitted and were rejected or returned before April 1, 2019 due to deficiency of documents, process or otherwise. The Members who are eligible for this are requested to take advantage of this special window and have the shares transferred in their name(s).
13. SEBI vide Circular dated November 3, 2021 (subsequently amended by circulars dated December 14, 2021, March 16, 2023 and November 17, 2023) mandated that security holders (holding securities in physical form), whose folio(s) do not have PAN, KYC details or Contact Details or Mobile Number or Bank Account Details or Specimen Signature updated, shall be eligible for any dividend payment in respect of such folios, only through electronic mode with effect from April 1, 2024, only upon furnishing the PAN, contact details including mobile number, bank account details and specimen signature.
14. Members are requested to submit PAN, or intimate all changes pertaining to their bank details, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, specimen signature (as applicable) etc., to their Depository Participant ("DP") in case of holding in dematerialized form or to Company's RTA through Form ISR-1, Form ISR-2 and Form ISR-3 (as applicable) available at <https://www.vccipl.com/investorkiosk/investorLogin.html> case of holdings in physical form.
15. As per the provisions of the Act and applicable SEBI Circular, Members holding shares in physical form may file nomination in the prescribed Form SH- 13 with RTA or make changes to their nomination details through Form SH-14 and Form ISR-3. In respect of shares held in dematerialised form, the nomination form may be filed with the respective DP. For relevant forms, please visit the Company's website at Shareholder's Corner - <http://www.tajgvk.in/kyc.html>.
16. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Share Transfer Agents, M/s.Venture Capital and Corporate Investments Private Limited for assistance in this regard.
17. Members may please note that SEBI vide its Circular dated January 25, 2022 has mandated Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate; claim from Unclaimed Suspense Account; Renewal / Exchange of securities certificate; Endorsement; Sub-division / Splitting of securities certificate; Consolidation of securities certificates / folios; Transmission and Transposition. Further SEBI vide its circular No.SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/65 dated May 18, 2022 has simplified the procedure and standardized the format of documents for transmission of securities. Accordingly, Members are requested to make service

requests by submitting a duly filled and signed Form ISR-4 & ISR-5, as the case may be. The format of which is available on the Company's website under the 'Investors' section.

18. SEBI vide Circular no. SEBI/HO/OIAE/OIAE\_IAD-1/P/CIR/2023/131 dated July 31, 2023 (updated as on December 20, 2023) has specified that a Member shall first take up his/her/their grievance with the listed entity by lodging a complaint directly with the concerned listed entity and if the grievance is not redressed satisfactorily, the Member may, in accordance with the SCORES guidelines, escalate the same through the SCORES Portal in accordance with the process laid out therein. Only after exhausting all available options for resolution of the grievance, if the Member is not satisfied with the outcome, he / she / they can initiate dispute resolution through the Online Dispute Resolution ("ODR Portal"). Members are requested to take note of the same.
19. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record fresh nomination, he/she may submit the same in Form ISR-3 or Form SH-14. The said form can be downloaded from the Company's website at <https://www.tajgvk.in>. (under 'Investor Relations' section). Members are requested to submit the said form to their DP in case the shares are held by them in electronic form and to the RTA in case the shares are held in physical form, quoting your folio no.
20. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's Registrar and Share Transfer Agents, the details of such folios together with the share certificates along with the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.
21. Members holding shares in electronic form may please note that their bank details as furnished by the respective Depositories of dividend as per the applicable regulations of the Depositories and the Company will not entertain any direct request from such Members for change / deletion in such bank details. Further, instructions, if any, already given by them in respect of shares held in physical form, will not be automatically applicable to the dividend paid on shares held in electronic form. Members may, therefore, give instructions regarding bank accounts in which they wish to receive dividend to their Depository Participants ("DPs").
22. The Notice of AGM along with Annual Report for FY 2025-26, is available on the website of the Company at <http://www.tajgvk.in/i/Annual%20Report%202025-26.pdf> on the website of Stock Exchanges i.e., Bombay Stock Exchange Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively and on the website of NSDL at [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
23. In accordance with the provisions of Regulation 39(4) and Schedule VI of the SEBI (LODR) Regulations, the Company maintains a demat account namely 'Unclaimed Suspense Shares Demat Account' with Zen Securities and currently holds 1,12,175 equity shares in this account as on 31st March, 2026.
24. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unclaimed Dividend Account of the company, is liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividend were also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members/Claimants are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority, in Form No. IEPF-5 available on [www.iepf.gov.in](http://www.iepf.gov.in). The Members/Claimants can file only one consolidated claim in a financial year as per the IEPF Rules.
25. All Corporate benefits on such shares including dividend shall be credited to the account of the IEPF Authority. The voting rights on shares lying in the Unclaimed Suspense Account shall remain frozen till the rightful owner of such shares establishes his / her title of ownership to claim the shares.

**B) Login Method for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.**

**How to Log-in to NSDL e-Voting website?**

1. Visit the e-voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-voting and you can proceed to Step 2 i.e. cast your vote electronically.
4. Your User ID details are given below:
  - a) For Members who hold shares in demat account with NSDL: 8 Character DP ID followed by 8 Digit Client ID (For example if your DP ID is IN300\*\*\* and Client ID is 12\*\*\*\*\* then your user ID is IN300\*\*\*12\*\*\*\*\*).
  - b) For Members who hold shares in demat account with CDSL: 16 Digit Beneficiary ID (For example if your Beneficiary ID is 12\*\*\*\*\* then your user ID is 12\*\*\*\*\*).
  - c) For Members holding shares in Physical Form: EVEN Number followed by Folio Number registered with the company (For example if folio number is 001\*\*\* and **EVEN is 140728** then user ID is 101456001\*\*\*)
5. Your password details are given below:
  - a) If you are already registered for e-voting, then you can use your existing password to login and cast your vote.
  - b) If you are using NSDL e-voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you by NSDL. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
  - c) How to retrieve your 'initial password'?
    - i. If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
    - ii. If your email ID is not registered, your 'initial password' is communicated to you on your postal address
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
  - a. Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  - b. "Physical User Reset Password?" (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
  - c. If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.co.in](mailto:evoting@nsdl.co.in) mentioning your demat account number/folio number, your PAN, your name and your registered address.
  - d. Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, click on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-voting will open.

**Step 2 : Cast your vote electronically on NSDL e-Voting system.**

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company **140728** for which you wish to cast your vote during the remote e-voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC / OAVM" link placed under "Join General Meeting".

3. Now you are ready for e-voting as the Voting page opens
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

#### **General Guidelines for shareholders**

37. Institutional shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of the relevant Board Resolution/Authority letter etc., with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by email to [csnarenderassociates@gmail.com](mailto:csnarenderassociates@gmail.com) with a copy marked to [evoting@nsdl.com](mailto:evoting@nsdl.com). Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
38. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Any person, who becomes Member of the Company after dispatch of the Notice and holding shares as on the cut-off date, may obtain the login ID and password by sending a request at info@vccipl.com or tajgvkshares.hyd@tajhotels.com. However, if any Member is already registered with NSDL for e-voting then he/ she can use his/her existing user ID and password / PIN for casting their vote.

#### 40. Other Instructions

a. The e-voting period commences on **06.09.2026 (9:00 a.m. IST) and ends on 08.09.2026 (5:00 p.m. IST)**. During this period, Members holding shares either in physical form or in dematerialized form, as on **cut-off date i.e., 01.09.2026**, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, he/she shall not be allowed to change it subsequently or cast the vote again.

b. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of voting, either through remote e-voting or voting at the AGM through electronic voting system.

c. Any person, who acquires shares of the Company and becomes a Member of the Company after dispatch of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at evoting@nsdl.co.in. However, if he/she is already registered with NSDL for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.

d. The Company has appointed Mr. G Nareder, Practicing Company Secretary, (Membership No. FCS4898), Proprietor of M/s. G Narender & Associates, Hyderabad, as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast at the Meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and make, not later than 48 hours of conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same.

e. The result declared along with the Scrutinizer's Report shall be placed on the Company's website [www.tajgvk.in](http://www.tajgvk.in) and on the website of NSDL <https://www.evoting.nsdl.com> immediately. The Company shall simultaneously forward the results to National Stock Exchange of India Limited and Bombay Stock Exchange Limited, where the shares of the Company are listed.

### Brief Profile of Mrs. Dia Mehta Bhupal is as follows:

Mrs. Dia Mehta Bhupal is one of India's most eminent and distinctive young artists and the creative director of The Corona Quilt Project. Mrs. Dia Bhupal's work is unique; subtly combining the social message of Sustainability (extensively using only recycled materials) with meticulously photographed 'constructed images.'

Mrs. Dia Bhupal is graduated with a BFA in Photography from The Parsons School of Design in New York after completing her foundation studies at the Central Saint Martin's College of Art and Design, London. While studying at both Parsons and St. Martins, Mrs. Dia Bhupal pioneered a technique with an emphasis on redefining everyday real-life images as commonly interpreted by observers. The Corona Quilt Project is a community engagement initiative that was inspired by the quilting tradition that exists across the world.

The Corona Quilt Project presents a diversity of experiences, celebrating the strength and the resilience of people. This movement has connected people of different ages from different cities and countries – echoing the belief that we have all endured this crisis together, no matter our age, gender, occupation or nationality. The presentations are meant to help us move forward, heal and be reborn.

Mrs. Dia Bhupal is represented by Gallery SKE and is an INK Fellow. She has exhibited across the world with solo and group shows, including Biennales at Kochi in India, Lyon in France, Yinchuan in China, Art Basel to name a few. She has been a speaker at several Art forums and conferences world over. She combines her passion for art and community and is associated with several philanthropic causes focused on healthcare, mental wellbeing and education

Keeping in view his vast expertise and knowledge, it will be in the interest of the Company that Mrs. Dia Mehta Bhupal is appointed as a Non-Executive and Non-Independent Director.

Save and except Mrs. Dia Mehta Bhupal and her relatives and also Dr. GVK Reddy, Chairman, Mrs. G Indira Krishna Reddy, Vice Chairperson, Mrs. Shalini Bhupal, Managing Director, Mr. Krishna R Bhupal, Joint Managing Director and Mr. Anoop Vrajlal Mehta, Director of the company are interested in the resolution, to the extent of their shareholding.     - j) The Labour and Industrial Laws and other industry specific laws including environmental laws as applicable to the Company (as provided by the Management), as mentioned in the Annexure to this report.
- 8) As confirmed and certified by the management, we have also examined the compliance of applicable provisions of the Reserve Bank of India Act, 1934 and the relevant rules, regulations and directions issued by the RBI, from time to time.
- 9) The Company being a listed entity whose equity shares are listed / traded at both the Stock Exchanges i.e. National Stock Exchange of India Limited and the BSE Limited, we have also examined compliance with the applicable clauses of the following:
  - a) Secretarial Standards issued by the Institute of Company Secretaries of India.
  - b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement), 2015 as amended from time to time;

- 10) We report that during the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., as mentioned above. Following are our observations during the audit period
- The Indian Hotels Company Limited ("IHCL") (one of the Promoter Group) has sold its entire shareholding of 1,60,00,400 equity shares, representing 25.52% through a Share Purchase Agreement on 30-12-2025 to Ms. Shalini Bhupal, Managing Director & CEO and also Promoter of the Company.
  - This inter-se transfer of shares, amongst the Promoters, is carried out as per the provisions of SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 2011 and SEBI (Prohibition of Insider Trading) Regulations, 2015. Necessary disclosures (pre and post) have been duly made by both the Acquirer and Seller to the concerned Regulatory Authorities.
  - As a result of the above acquisition, the shareholding of other "promoter / promoter group" (i.e. GVK Shareholders) is increased from 49.47% to 74.99%.
  - Consequent to the execution of Termination Agreement for inter alia termination of the Restated and Amended Shareholders Agreement dt.04-11-2011 entered into between GVK Shareholders, IHCL and the Company, IHCL's nominee directors viz., Mr. Prabhat Verma and Mr. Nabakumar Shome have resigned from the Board on 30-12-2025 as Non-Independent Promoter Directors of the Company.
  - The Company has also informed the concerned Regulatory Authorities for reclassifying IHCL from the "promoter and promoter group" to "public" category in terms of Regulation 31A of the SEBI (LODR) Regulations, 2015.
  - We have also noted that the Company has acquired 2.01% equity stake in Green Woods Palaces and Resorts Pvt Ltd to increase its shareholding from 48.99% to 51%. As a result, it became a Subsidiary of the Company w.e.f. 09-02-26.
- 11) We further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-executive Directors and Independent Directors. The Changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- 12) Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance (except for meetings conducted at a shorter notice after complying with the necessary provisions), and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- 13) All decisions at Board Meetings and Committee Meetings are carried out unanimously and dissent / objections / views, if any, of the directors were duly recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.
- 14) We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
- 15) We further report that during the audit period the Company has not entered into / carried out any activity that has a major bearing on the Company's affairs.

# Management Discussion and Analysis

## Forward Looking Statement

Your Company has been reporting consolidated results taking into account the results of its Subsidiary Company i.e. Green Woods Palaces and Resorts Private Limited (which operates the Taj Santacruz Hotel in Mumbai). The Management Discussion and Analysis section therefore, covers the financial results of your Company for the financial year 2025–26. Some statements describing the projections, estimates, expectations or outlook, may be forward looking. Actual results may, however, differ materially from those stated, on account of various factors such as changes in government regulations, tax regimes, economic developments within India, exchange rates and interest rates fluctuations, impact of competition, demand and supply constraints, etc.

## Global Economy

The global economy in FY25–26 faces a subdued growth trajectory of around 2.5% to 2.7%, dampened by supply-side energy shocks, rising geopolitical tensions in the Middle East, and lingering trade policy shifts. Developed nations experience sticky inflation, while major economic drivers like the US and China slow down.

The global economy is facing another major shock. The conflict in the Middle East has triggered sharp increases in energy prices, renewed inflationary pressures, and fueled expectations of tighter monetary policy. Global growth is projected to slow to 2.5 percent in 2026, from 2.9 percent in 2025—the lowest rate since the COVID-19 pandemic—amid weaker prospects for economies dependent on energy imports and those directly affected by hostilities. Activity is expected to firm in 2027–28 as energy supplies recover, monetary easing resumes, and trade strengthens.

Growth in emerging market and developing economies (EMDEs) is expected to slow to 3.6 percent this year. For all EMDE regions, growth this year is forecast to be weaker than in 2025. Per capita income growth in EMDEs is projected to slow in 2026 to its weakest pace since the pandemic. The level of per capita income across EMDEs excluding China and India, relative to advanced economies, is not expected to return to the pre-pandemic level until after 2028, implying nearly a decade of lost income convergence. Risks to the outlook remain skewed to the downside. A renewed escalation of hostilities or more prolonged disruptions to commodity flows could further raise commodity prices, intensify inflationary pressures and food insecurity, trigger financial stress, and lower growth. If energy supply disruptions prove more severe than assumed and are accompanied by substantial financial stress, global growth could fall to just 1.3 percent in 2026. Persistent trade policy uncertainty, geopolitical strains, and weather related shocks also pose material risks. On the upside, broader investment in and adoption of artificial intelligence (AI) could lift activity.

Policy action is critical to address ongoing challenges. Enhanced global cooperation is needed to safeguard energy and food security, bolster the trading system, and advance the energy transition. Domestically, policy makers will need to balance controlling inflation with supporting activity, strengthen fiscal sustainability, and maintain financial stability.

Slower growth prospects translate into reduced investment, constrained hiring, and tighter fiscal space, compounding the challenge of creating jobs in EMDEs with growing workforces in an era of potentially transformative change linked to AI. Meeting this challenge will require a concerted agenda centered on the conditions for job creation: investing in physical, human, and digital capital; fostering a business-friendly environment; and mobilizing private investment. In addition to the global and regional outlooks, this edition of Global Economic Prospects features two analytical chapters. One chapter examines the impact of government debt on interest rates. Another chapter considers the challenges of fiscal policy in commodity-exporting EMDEs.

**Navigating Volatility:** Fiscal Policy and Commodity Price Swings. Large commodity market disruptions—most recently triggered by the conflict in the Middle East—have brought renewed attention to the persistent fiscal challenges faced by commodity-exporting EMDEs. Since 2000, fiscal positions in these economies have generally been weaker than those in other EMDEs, reflecting lower and more volatile revenues, commodity price swings, and limited buffer accumulation in good times. Government debt across EMDEs has risen since the global financial crisis, but commodity exporters are especially vulnerable. A 1 percent increase in commodity prices raises both revenues and primary spending in commodity exporters by about 0.4 percent after five years, suggesting that revenue windfalls are gradually spent rather than saved. Fiscal positions over commodity price cycles vary across exporters of different commodities. Primary balances in energy and metal exporters strengthen during booms and worsen in slumps, mainly as a result of revenue swings, while primary spending remains broadly contained; debt ratios fall in booms and rise in slumps. In contrast, agricultural exporters increase spending in booms, offsetting revenue gains and leading to more lasting debt accumulation.

## Macroeconomic Trends

**Sluggish Global Growth:** World output remains well below pre-pandemic averages (3.2%), with the World Bank projecting global expansion at 2.5%.

**Energy and Supply Shocks:** Regional conflicts have spiked oil, freight, and insurance costs, keeping inflation elevated in developed economies (averaging near 2.9%).

Major Power Slowdown: US GDP growth cools to the 1.5%–2.1% range, and China moderates down toward 4.5%–4.6% amid structural transitions.

### Indian Economy

India's GDP growth for FY26 is estimated at 7.4 per cent driven by the double engine of consumption and investment. It reaffirms India's status as the fastest-growing major economy for the fourth consecutive year. This was highlight of the Economic Survey 2025–26 tabled by the Union Minister for Finance and Corporate Affairs, Smt. Nirmala Sitharaman in Parliament today.

The Survey says the real GDP growth for FY27 is projected at 6.8–7.2 per cent, while the potential growth for India is estimated at around 7 per cent. The Survey points out that the domestic demand continues to underpin economic growth in FY26. According to the First Advanced Estimate, the share of final private consumption expenditure (PFCE) in GDP rose to 61.5 per cent in FY26. This strength in consumption reflects a supportive macroeconomic environment, characterised by low inflation, stable employment conditions, and rising real purchasing power. Moreover, steady rural consumption, bolstered by strong agricultural performance, and the gradual improvement in urban consumption, aided by the rationalisation of direct and indirect taxes, reaffirm that the momentum in consumption demand is broad-based.

Along with consumption, investment has continued to anchor growth in FY26, with the share of gross fixed capital formation (GFCF) estimated at 30.0 per cent. Investment activity strengthened in the first half of the year, with, GFCF expanding by 7.6 per cent, exceeding the pace recorded in the corresponding period last year and remaining above the pre-pandemic average of 7.1 per cent.

#### Regional Bright Spots (India Focus)

Out performer Status: India's real GDP growth for FY25–26 is estimated at a robust 7.4%, retaining its position as the fastest-growing major economy.

Domestic Resiliency: Strong private consumption (growing around 7%), public capital expenditure, and lower headline retail inflation fuel domestic momentum.

External Sector Stability: High foreign exchange reserves (\$700B+) and record services exports buffer the domestic market against international trade headwinds.

### Global Hospitality and Tourism Industry

The global tourism industry reached a new post-pandemic peak in 2025, fully surpassing pre-COVID levels. According to the UNWTO Barometer (January 2026), international tourist arrivals are estimated to have reached 1.52 billion in 2025, representing a 4% increase over 2024 and reaffirming a return to long-term growth trends. Growth was supported by strong demand from large source markets, expanded air connectivity, and continued visa facilitation initiatives across destinations.

Europe remained the most visited region, accounting for about 52% of global international arrivals, with 794 million visitors. International arrivals in Europe grew by 4% Y-o-Y and marginally exceeded pre-pandemic levels. The Americas recorded approximately 218 million international arrivals, reflecting ~1% growth over 2024 and reaching 99% of 2019 levels.

The Middle East continued to outperform pre-pandemic benchmarks, with international tourist arrivals exceeding 2019 levels by 39%, although growth over the previous year remained modest at 3%. Africa also surpassed pre pandemic performance, registering a 17% increase over 2019 and an 8% Y-o-Y growth in arrivals during 2025.

The Asia-Pacific (APAC) region made significant progress in its recovery, recording 331 million international arrivals in 2025. The region's share of global arrivals increased to ~22%, while overall arrivals recovered to 91% of pre pandemic levels.

In revenue terms, total export earnings from tourism, including passenger transport, are estimated to have reached a record USD 2.2 trillion in 2025, representing an approximately 5% increase from 2024. International tourism receipts also recorded extraordinary growth during the year, with several destinations reporting higher growth in receipts than in arrivals.

### Outlook

Whilst the global hospitality and tourism sector entered 2026 from a position of strength, having completed its post pandemic recovery, the outlook for the year ahead remains characterised by measured optimism amidst persistent uncertainties.

Geopolitical tensions in West Asia have impacted tourism activity across the region, driven primarily by heightened uncertainty and operational disruptions. These developments have weighed on traveller confidence and influenced destination preferences, resulting in some moderation in international travel flows. Given the region's importance within global travel networks, the impact has extended beyond immediate markets, with spillover effects on broader tourism and hospitality demand.

Although geopolitical risks and economic conditions in certain markets continue to present near-term uncertainties, the broader environment remains supportive of the industry. The sector has repeatedly demonstrated resilience, rebounding strongly from far more severe disruptions in the past. The global hospitality and tourism industry remains well poised for long-term growth, supported by stable employment markets, a healthy level of business activity and resilient leisure demand.

The travel and tourism sector also continues to benefit from favourable structural drivers, supported by sustained demand for both business and leisure travel. Rising disposable incomes and the expansion of the middle class across emerging markets remain key demand catalysts. Travel demonstrated resilience as a discretionary spending category, while business travel demands remain strong.

### Indian Hospitality and Tourism Industry

The Indian travel and tourism industry remained on a positive trajectory in FY2025–26, led by strong domestic leisure demand and improving corporate travel. Inbound travel also continued its gradual recovery, supported by better connectivity and visa facilitation. As per World Travel & Tourism Council (WTTC) Economic India Impact Report 2025, the tourism sector accounted for an estimated 9.4% of total employment in India during FY2023–24 and contributed 6.6% to India's GDP, underlining its significant role in supporting economic growth and employment generation.

During calendar year 2025, India recorded 9.02 million foreign tourist arrivals and foreign exchange earnings of ₹27,363.8 crores. Domestic tourist visits stood at 4,132.8 million during the same period. A facilitative visa regime remains a key enabler for inbound tourism. As of December 2025, India's e-visa facility covered nationals of 172 countries, with entry permitted through 33 international airports, 16 seaports, and 2 land ports.

Resilient leisure demand and improving corporate travel supported occupancy levels during the year, while continued supply discipline helped sustain pricing momentum across ADR and RevPAR. The sector extended the upcycle witnessed between FY2023–24 and FY2025–26, with occupancy, ADR and RevPAR remaining at or above pre COVID levels. As per Horwath HTL, national occupancy stood at 64% in 2025 (2024: 63.0%), while ADR increased to ₹8,624 (+8.5% Y-o-Y) and RevPAR rose to ₹5,522 (+8.7% Y-o-Y). Looking ahead, a structural demand–supply imbalance across key markets, coupled with improving infrastructure may support sustained occupancy levels and healthy pricing, including in select Tier 2 and 3 markets, subject to macroeconomic conditions and any event-related disruptions.

ICRA projects demand growth of 8–10% CAGR compared with supply growth of 5–6% during FY2025–FY2028. Supply additions are expected to remain measured due to higher land and construction costs, longer approval timelines and talent availability, which may continue to support occupancy and ADR levels.

Ongoing initiatives under Swadesh Darshan 2.0 and PRASHAD, destination development across select iconic sites, connectivity enhancement measures and community-based tourism initiatives such as homestays are expected to improve destination readiness over time. Skilling programmes, including Capacity Building for Service Providers (CBSP), Paryatan Mitra and Paryatan Didi, may further support service quality and employability, although execution and uptake will remain important.

RCS UDAN has also been introduced to strengthen regional air connectivity through affordability measures and viability support, with 53 tourism routes operational to improve access to key and iconic tourist destinations.

Effective September 22, 2025, the GST rate on hotel rooms priced up to ₹7,500 per day was reduced to 5% (without input tax credit), improving affordability, simplifying taxation, and supporting demand in the mid scale and budget segments, despite the trade-off arising from the loss of input tax credit for businesses.

### Outlook

The hospitality sector is expected to remain stable in FY2026–27, supported by domestic leisure travel and MICE demand, with room rates likely to remain firm. According to ICRA, industry revenues are projected to grow by ~7–9% Y-o-Y in FY2026–27, with occupancy and ARR continuing to improve. Near-term performance, however, may be affected by geopolitical developments in West Asia and related aviation disruptions, which could temporarily impact select international and corporate travel corridors while keeping fuel, logistics and utility costs elevated.

Over the medium to long term, structural drivers, including rising discretionary spending, an expanding middle class and continued business travel, are expected to support industry growth. India's rising prominence in the global economy is also expected to contribute to sectoral growth by attracting higher inflows of foreign visitors, including heads of states and senior business executives.

The Company's strong domestic presence, balanced portfolio of owned, leased and managed properties; diversified brand architecture across geographies and segments; and stable stream of fee-based income provide a strong platform for sustained growth. These strengths enhance the Company's ability to navigate evolving economic conditions with agility, reinforce resilience, and capitalise on emerging opportunities over the medium to long term.

### Property Upgrades and Renovations

We carry out necessary upgradations to keep our hotels in good condition and to offer better value in terms of great ambience and comfort, while keeping the needs of our customers at the core of these changes. During the year your company has carried out renovation 24 guest rooms at Taj Deccan as part of its phased refurbishment plan to maintain best in class customer satisfaction at its properties. It also refurbished the roof top F&B outlet at Taj Club House, Chennai and relaunched it as a roof top bar Lava to attract the young discerning patrons in the city and company has completed construction of all rooms and public area works of Begaluru Hotel Project. This project consists of 255 room Hotel and estimate of project cost is around 450 crores.

## Environment, Health and Safety

We are committed towards operating in an environmentally responsible manner while catering to the interests of our diverse stakeholders. During the year, we took various measures to mitigate the impact of our operations on the climate and environment and preserve the planet for the future generations.

Optimising use of natural resources such as energy and water and managing waste efficiently are some of our priority focus areas. We have persistently worked towards optimising energy and water usage and responsible waste management. The hotels have generated significant savings by conserving water and energy and installing organic waste converters to reduce waste sent to landfill.

Your Company's hotel i.e. Taj Club House, Chennai utilises power from renewable energy sources, which not only helps in reducing the carbon footprint, but also in optimising cost of power. We source 3 Million units renewable energy mainly through Power Purchase Agreements with private power producers operating in the green power sector. Additionally, we emphasise on reducing our energy consumption wherever possible. Waste management is an integral part of your Company's environment management endeavour. Your Company promotes waste reduction, as well as segregation and recycling. The Hotel units either process waste using onsite waste treatment plants or engages certified vendors to promptly collect the waste for further processing. Sludge from sewage treatment plants is safely disposed by the agencies contracted for the management of these units. We are committed to phasing out single-use plastics across all our properties and have been making steadfast progress towards this goal every year. Water is a critical and scarce resource for local communities and for our industry. We are aware of the increasing water stress in our areas of operation and the need to strive for maximum water efficiency. We optimise our water consumption and work hard to mitigate our impact on the availability of freshwater. We manage our water resources and utility in an efficient manner, thereby ensuring there is no water shortage at any time. Water security assessment of hotels is undertaken regularly to identify water-related risks and strengthen preparedness to manage them.

Safety continues to be one of the top priority areas of your Company wherein all measures have been taken to ensure safety of all stakeholders. Your Company continues to drive awareness on safety across hotels. Common safety hazards and their safeguards have been highlighted in specially designed animated safety videos, and, case studies based on true incidents continue to be shared with the hotels as a learning tool. The approach of routinely identifying safety risks associated with operations helps your Company implement appropriate and effective mitigation plans and ensures adherence to overall Safety compliance. The Fire and Life Safety (FLS) audits, Standard Operating Procedures (SOPs) on safety such as Safe Sewage Treatment Plant Operations, Safe Banqueting Operations, Visitors etc., To ensure a continuous focus on safety, we created and implemented a Basic Safety Training Module for all hotels. This will act as an induction as well as refresher module for all employees. Teams at hotels continue to drive health, safety and security awareness sessions continuously, thus ensuring unwavering focus.

## Food Safety, Hygiene and Cleanliness

Continuous improvement of the Food Safety Management System by training and optimising the capacities of people, processes and technologies is an ongoing exercise. To increase the rigour in respect of Food Safety, Hygiene and Cleanliness audits were conducted by an external audit partner, ensuring implementation of FSSAI guidelines and standards. In order to address the challenges posed during of the COVID-19 pandemic, your Company has taken several measures to ensure safety and wellbeing of its associates and guests. Following are some of the safety measures undertaken at hotel units.

## Human Capital

Your Company's employees are its most valuable asset, who enable the Company to deliver a level of service that is amongst the highest in the hospitality industry. A combination of a robust talent management strategy and a transparent performance management system, leading to an attractive long term compensation philosophy, is employed to attract and retain the best available talent. We continually strive to make our operations more efficient, while creating a respectful work environment for each member of our team. Our key performance processes have been improved continually and updated with the intention of ensuring that they serve as effective enablers for people development and keep our talent management strategy upto date.

## Risk Governance and Management

The process of risk governance and management involves identification of risks, framing an adequate response to manage and mitigate the risks identified, followed by constant monitoring and review of the risk management process. The Risk Management Committee of the Board is responsible for developing and monitoring the risk management policies and also oversees how management monitors compliance with the Company's risk management policies and procedures. Internal audit department facilitates identification of risks and mitigants.

## Company Overview

Your Company witnessed robust growth in revenue across all hotels. The company achieved higher revenues across the business segments viz, rooms, Banquets and restaurants compared to previous financial year.

## Financials

Revenue from operations for FY 2025–26 was Rs.502.53 crores as compared to Rs.461.32 crores in the previous year. The room revenues were at Rs.260.45 crores and the food and beverage income was Rs. 198.97 crores.

## Expenditure

Total Expenses increased to 344.52 crores during the current year from Rs. 332.73 crores in the previous year. While Total Income increased by 9% from the previous year, total Expenses increased by 4% from the previous year mainly due to increase in variable costs consequent to increased business activity. There was also spend of Rs.8.01 crores on renovation of rooms and public areas at our hotels as compared to the previous year.

## Profit Before Tax

The company reported a Profit Before Tax of Rs.158 crores as compared to Rs.128.59 crores in the previous year.

## Profit After Tax

The company reported a Profit After Tax of Rs.116.97 crores as compared to a Profit After Tax of Rs.94.85 crores in the previous year.

## Variances Under each Expenditure Head are explained below

Food and Beverages Consumed: Whilst Food and Beverages Income increased by 5% from the previous year, Food and Beverages Consumed actually increased by 8% to Rs.41.06 crores from Rs.38.16 crores in the previous year. This is primarily on account of impact on business in the first few months of the year due to Operation Sindoor as well as the increase in raw material cost and transportation due to the West Asia crisis. Cost as a percentage of Food and Beverages was almost stagnant at 20% as against a similar percentage in the previous year.

## Employee benefit expenses and Payment to Contractors

Employee Benefit Expenses and Payment to Contractors increased by 12% to Rs.94.71 crores in the current year from Rs.84.51 crores in the previous year. This was mainly due to an increase in employee costs commensurate with increase in business activities. The increase was also attributed towards merit increases, increments paid to employees, negotiated salary increases with labour unions, talent development initiatives and compliance of necessary laws.

## Depreciation and Amortisation Expenses

Depreciation and Amortisation Expenses decreased by 4% from Rs.13.20 crores in the previous year to Rs.12.64 crores in FY 2025–26, on account of cessation of depreciation on fully written down assets as well as disposal of certain assets during the year.

## Other Operating and General Expenses

Other Operating and General Expenses increased by 2% to Rs.191.45 crores in the current year from Rs.187.99 crores in the previous Year.

## Finance Costs

Finance Costs for the current year at Rs.4.66 crores was lower than the preceding year by Rs.4.19 crores or 47%. The reduction was mainly due to repayment of term loans and effective working capital management.

## Liquidity and Debt

The Company maintained a good liquidity position during the year and met all its interest and principal repayment obligations. At the end of the year, the liquidity position represented by cash, cash equivalents and fixed deposits were at Rs.92.88 crores over the previous year to Rs.70.23 crores. As at 31st March, 2026 the Company had Rs.21.18 crores of cash and bank balance and Rs.30 crores as undrawn credit facilities, which provide the Company financial flexibility. During the year, the gross debt increased by Rs.70.44 crores on account of drawal of term loan availed for Yelahanka hotel project, subsequent to repayment of first instalment of Rs.5 crores.

## Internal Control Systems and Their Adequacy

Your Company has institutionalized an adequate system of internal controls, with documented procedures covering all corporate functions and hotel operating units. Internal controls provide reasonable assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls and compliance with applicable laws and regulations. Your Company's Internal Auditors carryout audit of the transactions of the Company periodically, in order to ensure that recording and reporting are adequate and proper. Internal Audit also verifies whether internal controls and checks & balances in the systems are adequate, proper and up to date. Corrective actions for any weaknesses in the system that may be disclosed by the Audits are taken. The focus of these reviews is:

- Identification of weaknesses and improvement areas
- Compliance with defined policies and processes
- Compliance with applicable statutes
- Safeguarding tangible and intangible assets
- Managing risk environment, including operational, financial, social and regulatory risks

The Board's Audit & Risk Management Committee oversees the adequacy of the internal control environment through periodic reviews of audit findings and monitoring implementations of internal audit recommendations through compliance reports.

The internal controls currently in place at your Company are commensurate with the size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorisation and ensuring compliance with corporate policies. The Statutory Auditors have opined in their report that there are adequate internal controls over financial reporting at your Company.

### **Risk Mitigation Initiatives**

Your Company employs various policies, processes and methods to counter the following risks effectively:

- Continuously evaluates options for improving profitability of its assets.
- Counters the risk from growing competition and new supply by extensively improving its service standards, as also progressively renovating its properties, across the multi-brand portfolio.
- Counters the security/terrorism risk by constantly reviewing and implementing various security measures at all its properties.
- With the advent and increasing use of online transactions, there is an increasing proportion of sharing of revenues with online travel agents. Adequate measures were taken to educate customers on the benefits of booking directly on the Taj website and the website has also been revamped to enhance the customer experience. Additionally, mobile platforms have been developed for customers, specially targeted at the loyalty and 'on-the-go' segments.

## b. Board Process

1. A detailed Agenda, setting out the business to be transacted at the Meeting(s), supported by detailed Notes and Presentations is sent to each Director at least seven days before the date of the Board Meeting(s) and of the Committee Meeting(s). Draft agenda of Board and Committee Meeting(s) is also circulated to the Directors seeking their comments before finalisation of agenda.
2. The Directors are provided with the video conferencing (VC) facility to participate in Board and Committee meetings. The Directors participated in these meetings either through the VC facility or in person.
3. All material information is circulated to the Directors before the meeting, including minimum information required to be made available to the Board as prescribed under Part A of Schedule II of the Listing Regulations. The Board also, inter alia, periodically reviews strategy and business plans, annual operating and capital expenditure budget(s), investment and exposure limit(s), compliance report(s) of all laws applicable to your Company, as well as steps taken by your Company to rectify instances of non-compliances, performance of operating divisions, review of major legal issues, minutes of the Committees of the Board, approval of quarterly / half-yearly / annual results, significant employee problems and their proposed solutions, safety and risk management, major accounting provisions and transactions that involve substantial payment towards goodwill, the steps taken by Management to limit the risks of adverse exchange rate movement.

4. The Company has well-established framework for the Meetings of the Board and its Committees to enable decision making process at the Meetings in an informed and efficient manner. The Directors have unrestricted access to all the information pertaining to the Company.
5. The Board has constituted Audit Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee, Stakeholders Relationship Committee, and the Risk Management Committee. Each of the Committees deal with matters as mandated by the statutory regulations and play a very crucial role in the overall governance structure. All the Committees have specific terms of reference approved by the Board which outlines the composition, scope, powers & duties and responsibilities. At each Board meeting, the Chairperson of respective Committees briefs the Board on matters discussed by the Committee at their respective meetings. The minutes of the meeting of all Committees are placed before the Board for review. During the year, all recommendations of the Committees of the Board have been accepted by the Board.
6. The Chief Financial Officer & Company Secretary attends the meetings of the Board and its Committees and is, inter-alia, responsible for recording the minutes of such meetings. The draft minutes of the Board and its Committees are sent to the Chairpersons and Members for their comments in accordance with the Secretarial Standards.
7. The Company adheres to the provisions of the Act, Secretarial Standards and Listing Regulations with respect to convening and holding the meetings of the Board of Directors, its Committees, and the General Meetings of the members of the Company and also attended by the Heads of various Corporate Functions wherever required by the Board.

#### **Meeting of the Independent Directors:**

The Independent Directors of the Company meet without the presence of the Executive Directors and other Non-Executive Director or any other Management Personnel. These Meetings are conducted to enable the Independent Directors to, inter-alia, discuss matters pertaining to review of performance of Executive and Non-Independent Directors and the Board of Directors as a whole, assess the quality, quantity, and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to perform their duties effectively. During the year the Independent Directors met on 31st March, 2026. Mr. N Anil Kumar Reddy Chaired the meeting.

#### **Familiarization Programme for Directors:**

Senior management personnel of the Company make presentations to the Board Members on a periodical basis, briefing them on the operations of the Company, plans, strategy, risks involved, new initiatives, etc., and seek their opinions and suggestions on the same. In addition, the Directors are briefed on their specific responsibilities and duties that may arise from time to time.

Any new Director who joins the Board is presented with a brief background of the Company, its operations and is informed of the important policies of the Company including the Code of Conduct for Directors and Senior Management Personnel, Code of Conduct for Prevention of Insider Trading, Policy on Related Party Transactions, Policy on Remuneration, Policy on material Events, Whistle Blower Policy, Risk Management Policy, Policy on Anti-Corruption and Anti-Bribery, Policy on Prevention of Sexual Harassment and Corporate Social Responsibility policy.

The Statutory Auditors, Internal Auditors and Senior Management of the Company make presentations to the Board of Directors with regard to regulatory changes from time to time while approving the Financial Results.

#### **Disclosure of Directors' and Others Interest in Transactions with the Company**

None of the Directors', Key Managerial Personnel and Senior Management, whether they, directly, indirectly or on behalf of third parties, have had any material interest in any transaction or matter directly affecting the Company pursuant to the provisions of Regulation 4(2)(f) of the SEBI Listing Regulations.

However, some commercial transactions had taken place with some of the Companies where the Director(s) of the Company also Director of that other company. Such transactions had taken place only at arm's length basis and in the ordinary course of business, which have been disclosed to the Board and entered in the Register of Contracts and approved by the Board in accordance with the requirements of the Companies Act, 2013 and SEBI Listing Regulations.

## 22. Share Transfer System:

All transmission or transposition of shares are conducted in accordance with the provisions of Regulation 40 and Schedule VII of the Listing Regulations, read with the relevant SEBI circulars. The Board has delegated the authority for approving transfer, transmission, issue of duplicate shares, name deletion and such other related matters to the Share Transfer Committee.

In terms of the Listing Regulations, shares of the Company can only be transferred in dematerialized form. Further, SEBI vide its circular No. SEBI/HO/MIRSD\_RTAMB/P/CIR/2022/8 dated January 24, 2022, mandated all the listed Companies to issue securities

in dematerialized form only, while processing the service request for issue of duplicate certificate, claim from Unclaimed Suspense Account, endorsement, sub-division / splitting of securities certificate, consolidation of securities certificates / folios, transmission and transposition are approved by Share Transfer Committee and are noted at Board Meetings.

In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form.

SEBI had introduced a special, time-bound window from July 7, 2025 to January 6, 2026, for the re-lodgment of physical share transfer requests that were previously rejected or returned before April 1, 2019. This initiative allowed shareholders to transfer and dematerialize shares that faced procedural or documentation issues, aiming to resolve long-standing legacy, non-disputed ownership cases. In order to further facilitate the investors to get rightful access to their securities, SEBI has opened another special window for transfer and dematerialization of physical securities which were sold / purchased before April 1, 2019. This special window is open for a period of 1 (one) year from February 5, 2026 to February 4, 2027 and is available for such transfer requests which were previously submitted and were rejected or returned before April 1, 2019 due to deficiency of documents, process or otherwise. The investors who are eligible for this are requested to take advantage of this special window and have the shares transferred in their name(s).

During the year ended March 2026, all share transmission, issue of duplicate shares, name deletion and such other related matters were approved by the Share Transfer Committee within prescribed timelines. There is no set frequency of the Share Transfer Committee meetings and transactions are approved as and when received. A summary of transactions so approved by the Committee is placed at the Board Meeting held quarterly. The Company adhered to the requirements of Regulation 40(9) of the Listing Regulations during the applicable period.

In furtherance of the Government of India's initiatives on 'Ease of Doing Business' and 'Ease of Doing Investment', SEBI has dispensed with the requirement of issuance of LOC for effecting direct credit of securities to the dematerialized account of investors.

This regulatory reform significantly simplifies the process of securities transfer, eliminates procedural delays, and enhances operational efficiency. This change aims to speed up the process significantly and will be effective from April 2, 2026. LOCs issued earlier remain valid for dematerialization within 120 days.

Under the new framework, investors must already hold a demat account and submit a duly attested, recent Client Master List along with prescribed forms. Registrar and Share Transfer Agent, Companies and Depositories are required to complete verification and credit securities directly into the demat account within 30 days of the receipt of such request.

### 35. Transfer of unclaimed/unpaid Dividend amounts to the Investor Education and Protection Fund:

Pursuant to sections 124 and 125 of the Act read with the provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 and Amendment Rules, 2017 notified by the Ministry of Corporate Affairs, the Company is required to transfer all shares to Investor Education and Protection Fund ("IEPF") in respect of which dividend has not been paid or claimed by the members for seven consecutive years or more. Adhering to various requirements set out in the Rules, the Company has taken appropriate action for transferring the shares to the Demat Account opened by the IEPF Authority.

In the interest of the shareholders, the Company sends periodical reminders to the shareholders to claim their dividends in order to avoid transfer of dividends/shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and shareholders whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website [www.tajgvk.in/Investor Relations/Dividend](http://www.tajgvk.in/Investor%20Relations/Dividend).

The shares transferred to IEPF Suspense Account including all benefits accruing on such shares, if any, can be claimed by the members from IEPF Authority, after following the procedure prescribed under the Rules.

In light of the aforesaid provisions, the Company has during the year under review, transferred to IEPF the unclaimed dividends, outstanding for 7 consecutive years, of the Company. Further, shares of the Company, in respect of which dividend has not been claimed for 7 consecutive years or more from the date of transfer to unpaid dividend account, have also been transferred to the demat account of IEPF Authority. ## **CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE**

As per Chapter IV of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015

To  
The Members of  
TAJ GVK Hotels & Resorts Limited

We have reviewed the compliance of conditions of Corporate Governance by TAJ GVK Hotels & Resorts Limited, for the year ended March 31, 2026, as stipulated in Chapter IV of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination has been limited to a review of the procedures and implementations thereof adopted by the Company for ensuring compliance with the conditions of the certificate of Corporate Governance as stipulated in the said Clause. It is neither an Audit nor an expression of opinion on the financial statements of the Company.

No investor grievances are pending for a period exceeding one month against the Company as per the records maintained by the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Chapter IV of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

| 1       | Business Ethics and Transparency   | Opportunity                                | The topic is material as it underpins stakeholder trust, regulatory compliance, and brand integrity, all of which are foundational to sustained business performance. Strengthening ethical governance enhances TAJ GVK's market differentiation, stakeholder confidence, talent attractiveness, and reputation as a responsible, future-ready hospitality brand.                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Positive                                                                                       |
| 2       | Customer Data Privacy and Security | Risk                                       | The topic is material as the increasing digitalisation of hospitality operations has expanded the volume of sensitive guest data collected, processed, and shared across platforms. A breach or mishandling of this data exposes the organisation to regulatory penalties, legal liability, and reputational harm, with direct consequences for guest trust and revenue. The growing reliance on online booking channels and third-party digital platforms further broadens vulnerability to cyber threats and data-sharing risks, making proactive data governance and robust cybersecurity controls essential to safeguarding business continuity and stakeholder confidence. | A data privacy framework is in place, encompassing secure IT infrastructure, access controls, encryption protocols, and periodic audits to ensure the integrity and confidentiality of guest data.<br><br>Staff handling personal data receive periodic training on privacy and cybersecurity requirements. The Cyber Consolidated Policy and Data Retention Policy guide the collection, storage, retention, and disposal of data in a structured and compliant manner. Incident response protocols ensure timely detection and resolution of any breaches. Guests are directed to book through the Taj website, reducing dependency on third-party platforms and minimising associated data-sharing risks. | Negative                                                                                       |

| 3       | Food Quality and Standard             | Opportunity                                | <p>The topic is material as it is central to guest experience and directly influences brand perception, repeat patronage, and competitive positioning in the hospitality sector.</p> <p>Maintaining consistent food quality and adherence to food safety standards presents an opportunity to strengthen guest loyalty and enhance dining and banqueting experiences. Standards are maintained in alignment with FSSAI guidelines, with ingredients procured from approved suppliers, supported by regular hygiene audits, food safety inspections, staff training, and traceability systems across all properties.</p> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Positive                                                                                       |
| 4       | Waste Management and Circular Economy | Risk                                       | <p>The topic is material as improper handling of waste and inefficient resource utilisation exposes the organisation to regulatory penalties, environmental liability, increased waste disposal and resource costs, and reputational risk. Growing scrutiny from guests, regulators, and investors reinforces the need for structured waste management and the integration of circular economy principles into operations.</p>                                                                                                                                                                                          | <p>Waste is segregated at source and managed through a combination of onsite treatment, reuse, and disposal through authorised and certified channels in accordance with applicable regulations. Several initiatives are in place across properties, including installation of organic waste converters, transition to glass water bottles, wooden key cards, bio-compostable materials, and composting systems. Steps are underway to phase out single-use plastics and identify opportunities to repurpose materials, reflecting our commitment to circular economy principles and reducing the volume of waste sent to landfill.</p> | Negative                                                                                       |

| 6       | Resilient Business Strategy     | Opportunity                                | <p>The topic is material as the hospitality sector is inherently exposed to macroeconomic volatility, geopolitical disruptions, public health events, and shifting consumer preferences.</p> <p>Building organisational resilience through adaptive operational models, and forward-looking risk management presents an opportunity to sustain performance through cycles of uncertainty. A structured approach to strategic resilience enables the organisation to manage emerging risks, maintain operational continuity, and respond effectively to evolving market conditions.</p>                                                                                                                                                                                                                                                                                                          |                                                | Positive                                                                                       |
| 7       | Energy and Emissions Management | Opportunity                                | <p>The topic is material as energy constitutes a significant operational cost and a key source of direct and indirect emissions in hotel operations. Efficient energy management across hotel operations presents a meaningful opportunity to reduce costs and improve operational margins. Transitioning to renewable energy sources and adopting energy-efficient technologies further reduce dependency on conventional power. Growing emphasis on sustainability from guests, investors, and regulators means that properties demonstrating a lower carbon footprint are better positioned to strengthen brand reputation and long-term competitiveness. With properties located across multiple cities, Taj GVK's approach to energy management supports environmental reporting requirements while contributing to the objectives of the PAATHYA and Group-wide Aalingana frameworks.</p> |                                                | Positive                                                                                       |

| 8       | Water and Effluent management | Risk                                       | The topic is material as several properties operate in water-stressed areas, exposing the organisation to freshwater supply constraints that can directly impact day-to-day hotel operations. Hospitality operations are water-intensive by nature, making reliable access to water and effective management of resulting effluents a critical operational dependency. Tightening regulatory requirements around water withdrawal limits and water use efficiency further elevate the compliance risk. Failure to manage freshwater consumption prudently in stressed geographies can also attract regulatory scrutiny and operational restrictions, with direct consequences for business continuity.                                                                                                                                                                | All properties are equipped with Sewage Treatment Plants to ensure effective onsite wastewater treatment. Zero Liquid Discharge is being implemented in phases, with four out of five hotels already achieving ZLD status and a target of 100% wastewater recycling by 2030. Treated water is reused onsite for horticulture, flushing, landscaping, and cooling towers, reducing dependence on freshwater sources and mitigating supply-side risks. | Negative                                                                                       |
| 9       | Green Buildings               | Opportunity                                | The topic is material as the design, construction, and operation of hotel properties have significant and long-term implications for energy consumption, water use, and environmental impact.<br><br>Green-certified properties offer the dual benefit of reduced long-term operating costs and stronger appeal to environmentally aware guests and investors. As sustainability criteria increasingly influence investment decisions and guest preferences, green building certifications serve as a credible signal of responsible operations and future-ready infrastructure. With upcoming development projects being planned with sustainability considerations from the design stage, and existing properties being progressively upgraded, green buildings present a clear opportunity to enhance asset quality and stakeholder confidence over the long term. |                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Positive                                                                                       |

## II. Governance, Leadership and Oversight

### 7. Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)

Dear Stakeholders,

As we reflect on FY 2025-26, I am proud to share the meaningful strides TAJ GVK has made on its sustainability journey. Our efforts this year are firmly anchored in PAATHYA, a framework built on six pillars of environmental stewardship, social responsibility, heritage preservation, partner transformation, corporate governance, and sustainable growth.

On the environmental front, FY 2025-26 was a year of measurable progress. We continued to strengthen the efficiency of our operations through focused investments across five key areas: energy conservation, renewable energy procurement, water stewardship, waste management, and resource optimisation. Energy intensity declined by 19%, water intensity by 10%, and waste intensity by 7%, all measured on a revenue basis. Four of our hotels continued to sustain their Zero Liquid Discharge status and 99% of waste generated across our operations was diverted away from disposal. Key initiatives driving these outcomes included LED lighting upgrades, VFD chiller installations, AHU replacements, cooling tower optimisation, Usage of Organic Waste Converter Machine, in-house glass bottling plant and the transition of charcoal tandors to Piped Natural Gas. We also expanded our procurement of third-party wind energy, further reducing our carbon intensity. TAJ Club House fulfilled its obligations under the PAT (Perform Achieve and Trade) scheme during the year.

Equally important has been our commitment to our people and communities. On the social front, we maintained zero Lost Time Incidents and zero fatalities. No complaints were received under the POSH Act or across consumer grievance categories including data privacy, cyber security, and unfair trade practices. We also continued to strengthen our inclusive procurement practices by engaging suppliers from diverse and underrepresented communities, reinforcing our belief that sustainable growth must benefit all stakeholders across our value chain. We remain committed to the belief that sustainable growth must be equitable and far-reaching.

Our governance mechanisms ensured that we upheld the highest standards of ethics, transparency, and accountability, reflected in the absence of complaints relating to discrimination, human rights, consumer privacy, cybersecurity, or unfair trade practices.

While PAATHYA establishes a shared sustainability vision, our focus is now on translating these ambitions into measurable action across TAJ GVK's portfolio. We are developing hotel-specific sustainability roadmaps and performance targets that reflect the unique operating context of each property while contributing to the PAATHYA's 2030 ambitions. This approach will

enable us to accelerate progress across climate action, resource efficiency, responsible sourcing, community engagement, and governance, while ensuring accountability at every level of the organisation.

The hospitality industry has a unique opportunity to create positive environmental and social impact while delivering memorable guest experiences. We recognise this responsibility and remain committed to building resilient operations that preserve natural resources, empower our people, and create lasting value for our stakeholders.

I extend my sincere gratitude to our employees, guests, business partners, shareholders, and communities for their continued trust as we build a legacy of responsible hospitality. Sincerely,

Mrs. Shalini Bhupal  
Managing Director

All policies are approved by the Board and reviewed periodically, or on a need basis, by the CSR Committee. Reviews include an evaluation of policy effectiveness, with amendments to policies and procedures implemented as necessary.                                                                                                                                                             |   |   |   |   |   |   |   |   | Need basis                                                               |   |   |   |   |   |   |   |   |
| Compliance with statutory requirements of relevance to the principles, and rectification of any non-compliances | Yes. The Board, through the Audit Committee, oversees compliance with all applicable statutory requirements. Where instances of non-compliance are identified, corrective measures are implemented in a timely manner, followed by internal reviews or audits to prevent recurrence. These actions are guided by the organisation's internal risk management framework and principles of accountability. |   |   |   |   |   |   |   |   | Quarterly                                                                |   |   |   |   |   |   |   |   |

## SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorised as “Essential” and “Leadership”. While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

### Principle 1: Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

TAJ GVK conducts its business with integrity and transparency across all levels of the organisation. The Company’s governance framework comprises a well-defined Code of Conduct, robust internal controls, and a whistleblower mechanism that together ensure ethical behaviour, regulatory compliance, and accountability in day-to-day operations. Conflicts of interest are actively managed, confidentiality is protected, and compliance reviews are undertaken on a regular basis. These practices collectively safeguard stakeholder interests and reinforce the Company’s commitment to responsible business conduct.

**2. Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No)  
If Yes, provide details of the same.**

Yes, The Company has established comprehensive procedures designed to effectively manage instances of conflict of interest that may involve members of the Board. To address these conflicts, a well-defined process has been instituted, empowering Directors to recuse themselves from participating in discussions that involve conflicts of interest. Directors are obligated to fulfil their duties in a sincere manner that aligns with the Company's best interests. They are mandated to exercise their responsibilities devoid of any external influences that could compromise their ability to make impartial and autonomous judgments, crucial for the Company's welfare. Additionally, Directors are prohibited from misusing their positions to either directly or indirectly gain personal advantages to the detriment of the Company.

Any conflict of interest that emerges involving Board Members must be promptly disclosed to the Chairman of the Audit Committee or the Chairman of the Board. This measure ensures transparency and allows for appropriate oversight and management of potential conflicts.

**PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe.**

TAJ GVK is committed to delivering hospitality services that are safe, sustainable, and aligned with responsible consumption practices. The Company continuously evaluates the environmental and social impact of its service offerings, incorporating sustainable alternatives wherever feasible. Initiatives such as elimination of single-use plastics, adoption of biodegradable packaging, and in-house water bottling reflect this commitment in practice. Food safety and hygiene standards are rigorously maintained across all properties, with external audits conducted to ensure compliance with applicable guidelines.

**2. a. Does the entity have procedures in place for sustainable sourcing?**

Yes. TAJ GVK's approach to procurement is governed by a Sustainable Procurement Policy that guides sourcing decisions across all its hotel operations. The policy covers ethical conduct, environmental compliance, quality standards, and sustainability, ensuring that procurement practices go beyond cost considerations and reflect the Company's wider responsibilities.

Suppliers are evaluated on ESG parameters at the time of onboarding and on an ongoing basis, covering environmental certifications, labour standards, social responsibility practices, and health and safety compliance. Due diligence and risk assessments are carried out to identify potential vulnerabilities in the supply chain and ensure vendors meet the Company's expectations. Local and inclusive sourcing is actively encouraged, and procurement from MSMEs, women-led businesses, and underrepresented groups is prioritised to reduce logistics-related emissions and support economic empowerment in the regions where the Company operates. Items such as organic vegetables, eco-friendly toiletries, guest amenities, and ceramic and glass containers are sourced locally wherever possible.

The Company has also implemented procedures to integrate sustainable practices within its supply chain. By employing a unified warehouse and distribution management system across all its hotels, the supply chain has become greener and more efficient. Approximately 10% of total sourcing is managed through a vendor aggregation system. Additionally, consolidating FMCG goods from multiple suppliers into a single vendor and utilising third-party logistics have greatly minimised vendor interactions, leading to substantial emissions reductions.

Supplier collaboration is maintained through regular audits, performance monitoring, and structured feedback mechanisms. Non-compliant suppliers are subject to corrective actions, including disqualification or removal. This procurement strategy reflects TAJ GVK's commitment to a resilient, ethical, and sustainable supply chain aligned with its environmental and social responsibility objectives.

**b. If yes, what percentage of inputs were sourced sustainably?**

While sustainable sourcing practices are embedded across procurement operations, the percentage of inputs sourced sustainably is currently being assessed. The Company plans to report this metric going forward.

**3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) Other waste**

|                                |                                                                                                                                                                                                                                           |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Plastics (including packaging) | Being part of the service sector in the hospitality business, TAJ GVK does not engage in the production or manufacturing of any products. Accordingly, product reclamation at end-of-life is not directly applicable to its operations.   |
| E-waste                        |                                                                                                                                                                                                                                           |
| Hazardous waste                | However, the Company is committed to managing waste in a safe and responsible manner. The hotel focuses on maximising circularity by diverting waste from landfill through reuse, recycling, and recovery processes across waste streams. |
| Other Waste                    |                                                                                                                                                                                                                                           |

**4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.**

No, Extended Producer Responsibility (EPR) is not applicable to TAJ GVK.

**LEADERSHIP INDICATORS**

**1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?**

TAJ GVK has not conducted a formal LCA of its services. However, the Company remains committed to strengthening its sustainability practices and will continue to evaluate the relevance and feasibility of conducting LCAs in the future.

**2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.**

| Name of Product/Service | Description of risk/Concern | Action Taken |

**3. Accessibility of workplaces – Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.**

Yes, TAJ GVK's hotel premises are designed to be accessible to individuals with disabilities, in line with the Rights of Persons with Disabilities Act, 2016. Across all operational areas, workspaces, restrooms, and shared facilities accessibility features including ramps, handrails, widened entryways, accessible washrooms, and appropriate signage have been incorporated to support ease of movement and independent mobility.

The Company undertakes periodic assessments to identify and address any gaps, ensuring its premises remain inclusive and barrier-free for all employees, guests, and visitors irrespective of physical ability.

**4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.**

Yes, TAJ GVK has adopted an Equal Opportunity Policy, underlining its commitment to providing equal opportunities in employment and maintaining an inclusive working environment for all individuals, including persons with disabilities.

The Policy strictly prohibits any form of discrimination, harassment, or unfavourable treatment of employees or job applicants, whether direct or indirect, on grounds including age, colour, disability, origin, religion, race, gender, family or marital status, gender reassignment, sexual orientation, pregnancy, or maternity status. Any form of bullying or intimidation against any employee or applicant is also expressly forbidden under the Policy.

Employment decisions, including recruitment, promotion, and training, are made solely on the basis of merit, competence, and individual ability. In the event an employee acquires a disability during service, the Company ensures that no reduction in rank takes place and endeavours to re-skill the employee for a suitable role at the same or higher designation. The Policy is applicable across all company locations and hotels, with the Human Resources function responsible for ensuring its consistent implementation and compliance.

| Permanent Employees            | Yes    | <p>TAJ GVK has various mechanisms to receive and redress grievances for both permanent employees and other than permanent employees. The Company has collaborated with a third-party ethics partner who receives grievances via phone, e-mail, and physical mails, on which adequate actions are being taken and addressed.</p> <p>The Company also has a Whistle-Blower Mechanism and Vigil Mechanism available to all stakeholders to resolve complaints, which are reviewed by the Audit Committee every quarter. Employees and workers can raise grievances through multiple channels including the Open Door Policy, HR Department, Reporting Managers, Department Heads, Ethics Helpline, and Employee Connect platforms.</p> <p>The Internal Complaints Committee (ICC) is specifically available for POSH-related concerns. Ethics committees and HR heads are present in each hotel to whom people can report issues directly or drop their concerns in the drop boxes. Additionally, QR codes have been placed in different areas of the organisation from which employees and workers can scan and share their grievances directly with the management.</p> |

**10. Health and safety management system:**

**a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage of such a system?**

Yes. We have an occupational health and safety management system in place that encompasses all our employees and hotels.

**b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?**

The Company follows a structured approach to identify work-related hazards and assess risks across its operations.

The Hotel Safety Committee conducts regular Safety Risk Assessments, which are periodically reviewed and serve as the

foundation for incident management across all hotels. Hazard Identification and Risk Assessment (HIRA) is carried out systematically, supplemented by insights drawn from the Yellow Card System, which enables proactive identification of potential hazards. Safety inspections, job safety analysis, and internal audit systems further strengthen the ongoing risk monitoring process. The Gemba Walk process is also implemented to facilitate continuous improvement in operational efficiency and safety compliance.

For activities outside of standard operations, risks are assessed prior to execution through Permit-to-Work (PTW) systems, method statements, and contractor safety management protocols, ensuring that all associated hazards are identified and controlled before work commences.

Based on the outcomes of these assessments, appropriate controls are implemented, primarily through administrative measures, to mitigate potential risks. These controls are integrated with the capital expenditure (CapEx) and operational expenditure (OpEx) planning of the hotels, reflecting the Company's commitment to embedding safety across all aspects of its operations.

**c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)**

Yes. The Company has established processes that enable our staff to report work-related hazards and raise safety concerns. These include the Yellow Card System, near-miss reporting, and incident reporting mechanisms, through which staff can flag work-related safety risks. They are also able to communicate safety concerns directly through internal messaging. The Gemba Walk process further supports proactive identification and resolution of potential hazards on the ground.

**d. Do the employees/workers of the entity have access to non-occupational medical and healthcare services? (Yes/ No)**

Yes. Employees have access to non-occupational medical and healthcare services through company-provided health insurance and ESI coverage. The Company has also established tie-ups with hospitals and healthcare providers in the vicinity of its locations to ensure accessibility to medical care. Additionally, wellness initiatives covering preventive and emergency care are in place across all locations, and staff members receive on-site medical emergency response training.

**12. Describe the measures taken by the entity to ensure a safe and healthy workplace.**

TAJ GVK has established a comprehensive Health, Safety and Environment (HSE) management framework to provide a safe, healthy and secure workplace for employees, workers and guests. The framework is built around three key pillars:

- Food Safety: Adherence to HACCP and FSSAI guidelines, supported by the external agency Diversey, to ensure stringent food safety and hygiene standards.
- Fire and Life Safety: Compliance with DNV-GL guidelines and IHCL's Fire and Life Safety standards to maintain robust fire prevention, emergency preparedness and life safety protocols.
- Sustainability: Alignment with EarthCheck standards to integrate environmental sustainability into day-to-day operations and promote responsible business practices.

The Company's occupational health and safety framework is further supported through its Safety Framework, Fire and Life Safety protocols, standard operating procedures (SOPs), and structured employee training programmes. The key measures adopted include:

- Risk Assessment Framework: Hazard identification and risk assessment are carried out in alignment with the HIRA and Job Safety Analysis (JSA) procedures, forming the foundation of effective risk management across the Company's operations.
- Control Hierarchy Implementation: The hierarchy of controls is strictly followed when implementing risk mitigation strategies. Tailored Control Plans are devised based on the level of risk associated with specific tasks, ensuring that no task proceeds until risks are mitigated to an acceptable threshold.
- Safety Committees: Dedicated Hotel Safety Committees operate at various organisational levels, playing a pivotal role in assessing the adequacy of safety resources and supporting the effective deployment of the safety management system.

- **Safety Policies and Communication:** Safety policies are communicated across the organisation to ensure awareness and adherence, with continuous monitoring forming an integral part of the safety management approach.
- **Ongoing Audits and Inspections:** Systematic safety audits and inspections are conducted periodically across all facilities to evaluate the effectiveness of safety protocols and proactively identify and rectify potential hazards, ensuring a safe and healthy workplace for all employees and workers.

These measures collectively strengthen the Company's occupational health and safety management system, enabling proactive risk management and fostering a safe and healthy working environment for all employees and workers.

**15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of Health & Safety practices and working conditions.**

The Company has established a structured process to address safety-related incidents and manage significant risks identified through Health and Safety assessments:

- **Incident Management and Corrective Actions:** All safety-related incidents are subject to root cause analysis, following which corrective and preventive actions are implemented through structured systems including safety audits, HIRA reviews, and Fire and Life Safety (FLS) assessments.
- **Risk Mitigation:** Identified risks are addressed through a combination of engineering controls, process improvements, enhanced supervision, and regular training. Strict compliance with Permit-to-Work systems and contractor safety standards is maintained to ensure risks are effectively controlled. Closure of all corrective actions is tracked through periodic reviews and audits.
- **Regular Audits and Preventive Systems:** Internal audits are conducted regularly to evaluate the effectiveness of safety protocols and working conditions across all facilities. Any deviations from established safety standards identified during these audits are addressed promptly through preventive and corrective measures, ensuring continuous improvement in Health and Safety practices.

**6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners.**

Periodic site visits are conducted for critical value chain partners, based on which corrective and preventive measures are recommended as applicable. During FY 2025-26, no significant risks or concerns were observed in the course of these assessments.

**PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders.**

TAJ GVK maintains open and transparent channels of engagement with all its stakeholders, including employees, customers, government, investors, suppliers, and local communities. The Company proactively identifies stakeholder concerns through structured feedback mechanisms and incorporates these inputs into its business decisions. A dedicated Stakeholder Engagement Policy governs this process, ensuring feedback is systematically compiled and reflected in strategic, operational, and sustainability decisions across the organisation.

**ESSENTIAL INDICATORS**

**1. Describe the processes for identifying key stakeholder groups of the entity:**

TAJ GVK identifies its key stakeholder groups through a structured stakeholder mapping process that evaluates each group on the basis of relevance, influence, dependence, and diversity of perspectives. This mapping enables the Company to better understand stakeholder impacts and expectations, and tailor its engagement and communication strategies accordingly. The process is embedded within the Company's sustainability strategy and core values, ensuring stakeholder insights inform long-term business decisions. Key stakeholder groups identified include employees, customers, shareholders, suppliers, partners, communities, regulators, and lenders.

**2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group:**

| Stakeholder Group          | Whether identified as Vulnerable & Marginalized Group | Channels of communication                                                                                                                                                                                                                                                                                   | Frequency of engagement                   | Purpose and scope of engagement including key topics and concerns raised during such engagement                                                                                                                                                             |

#### LEADERSHIP INDICATORS

##### 1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

At TAJ GVK, stakeholder consultation is a deliberate and ongoing process led by the Executive Committee, Human Resources Department, Line Managers, and Ethics Officials, with the Board retaining overall oversight. The Company engages proactively with all its stakeholders through a range of structured channels. These engagements are designed to capture diverse perspectives on economic, environmental, and social matters, ensuring that stakeholder voices are consistently reflected in the Company's decision-making processes.

Outcomes and feedback gathered through these multi-stakeholder engagements are compiled by the respective functional owners and channelled upward through structured reporting mechanisms. Insights of operational significance are reported to Senior Management, while material findings, emerging risks, or concerns of strategic importance are escalated to the Board through periodic updates. This structured escalation framework ensures that the Board remains continuously informed on key economic, environmental, and social developments, enabling informed governance and timely decision-making on matters that impact the Company and its broader stakeholder ecosystem.

##### 2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, stakeholder consultations are actively used to identify and manage key environmental and social topics relevant to TAJ GVK's operations. Inputs are gathered through multiple platforms including customer feedback systems, supplier meets, employee surveys, and community interactions under CSR programmes, and find their way into the Company's policies and operational activities.

##### Notable instances of stakeholder inputs shaping business decisions include:

- Vendor interactions during onboarding and periodic reviews have been used to ensure alignment with TAJ GVK's expectations on hygiene, safety, and environmental compliance, while also improving transparency in procurement-related communication.
- Guest surveys and service reviews have directly influenced operational decisions around reducing single-use plastics,

improving energy and water efficiency, and strengthening sustainable hospitality practices.

- Community engagement conducted during CSR project planning and implementation has helped TAJ GVK remain attuned to regional needs across education, livelihood support, and public health, with these insights shaping initiatives that are contextually relevant and impactful on the ground.

### 3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.

TAJ GVK recognises women entrepreneurs, minorities, persons with disabilities, indigenous communities, LGBTQ+ individuals, and those from low-income or socio economically disadvantaged backgrounds as its primary vulnerable and marginalised stakeholder groups. Engagement with these groups is structured around targeted initiatives that address their specific needs and work towards long-term social value creation:

#### Tata Affirmative Action Programme (TAAP)

A long-term structured initiative focused on advancing the inclusion of SC/ST communities through a 5E approach – Education, Employability, Employment, Entrepreneurship, and Essential Enablers. The programme works towards enabling economic participation through targeted skilling, employability enhancement, supplier diversity, and entrepreneurship development.

#### Capacity Building

Training programmes are delivered in partnership with reputed corporate and non-profit organisations, with particular focus on youth from under served backgrounds. These combine industry-relevant skills with holistic development frameworks to support sustainable livelihoods in surrounding communities.

#### Cultural Preservation

Community engagement initiatives encompass conservation of local heritage, protection of surrounding ecosystems, and support for environmental improvement ensuring initiatives remain contextually relevant to the communities served.

#### Employee-Led Volunteering

Volunteering initiatives are organised regularly to address locally identified needs across education, health awareness, and environmental improvement, reflecting an active and ongoing commitment to community responsiveness.

Through these interventions, TAJ GVK works towards meaningful socio-economic up-liftment while reinforcing its commitment to inclusive and sustainable growth.

### PRINCIPLE 5: Businesses should respect and promote human rights.

TAJ GVK is committed to respecting and promoting human rights across its operations and value chain, prohibiting child and forced labour, ensuring fair compensation, and fostering a culture of diversity, inclusion, and non-discrimination. The Company's Human Rights Policy is supported by a structured grievance redressal mechanism and whistleblower framework, ensuring concerns are addressed confidentially, transparently, and in a timely manner. Human rights requirements are embedded within business agreements and contracts, and the Company proactively engages with internal and external stakeholders to identify, prevent, and address potential human rights risks.

**4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)**

Yes. The implementation of the Human Rights Policy and oversight of all human rights matters is the responsibility of the Chief Human Resource Officer (CHRO). At the hotel level, ethics committees and HR heads serve as designated points of contact to whom individuals can directly report concerns. Drop boxes are also available at properties for submitting concerns confidentially.

A whistle-blower mechanism is additionally in place to handle complaints, with the grievance redressal mechanism overseen by department leaders, union representatives, HR heads, and members of various welfare committees, who are collectively responsible for addressing and resolving any reported human rights issues.

Additionally, a dedicated POSH (Prevention of Sexual Harassment) Committee exists at each hotel location (Hyderabad, Chennai, Chandigarh), presided over by a senior woman executive, with at least half its members being women and including an external member. Complaints can be reported to the committee directly or via email at [posh@tajhotels.com](mailto:posh@tajhotels.com). The POSH Corporate Committee provides oversight across all locations and submits annual reports to the Government on complaints received and actions taken.

**5. Describe the internal mechanisms in place to redress grievances related to human rights issues.**

TAJ GVK maintains a structured and accessible grievance redressal framework to address human rights concerns across its operations. The key mechanisms in place are as follows:

- **Grievance Receipt Channels:** Grievances can be reported through multiple channels including phone, email, and physical mail, ensuring accessibility for all associates.
- **Prompt Redressal:** Upon receipt of grievance, adequate actions are taken in a timely manner to address and resolve the concern raised.
- **Whistle-blower Mechanism:** Associates can report complaints, including those related to human rights, through the whistle-blower mechanism, which allows for anonymous reporting and protects individuals from any form of retaliation.
- **Audit Committee Oversight:** Grievances received through the whistle-blower mechanism are reviewed by the Audit Committee on a quarterly basis, ensuring thorough evaluation and appropriate follow-through.
- **Ethics Committees:** Ethics Committees are in place to handle reported issues, conduct impartial investigations, and ensure adherence to ethical standards and company policies.
- **HR Heads at Hotel Level:** HR heads at individual hotel properties serve as direct points of contact for associates to raise concerns, enabling faster resolution at the local level.

**8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.**

TAJ GVK is dedicated to maintaining a workplace environment that is free from discrimination and harassment. To safeguard the rights and well-being of complainants, the company employs several mechanisms to prevent adverse consequences. These mechanisms are as follows:

- **Protection under the POSH Policy:** The Company's Prevention of Sexual Harassment (POSH) Policy strictly prohibits retaliation against any individual who reports discrimination or harassment in good faith. The protection extends to complainants, witnesses, and others involved in the investigation process.
- **Confidential Reporting and Investigation:** Complaints can be reported through designated channels and are handled with strict confidentiality. Investigations are conducted in a fair, impartial, and transparent manner to ensure that all parties are heard while safeguarding the identity of those involved.
- **Prompt Action on Retaliation:** Any allegations of retaliation or victimization are addressed promptly and with the same seriousness as discrimination or harassment complaints. Appropriate corrective and disciplinary actions are taken wherever necessary.
- **Awareness and Capacity Building:** Regular training sessions and awareness programmes are conducted to educate employees about workplace rights, reporting mechanisms, anti-retaliation provisions, and expected standards of behaviour.
- **Zero-Tolerance Approach:** The Company maintains a zero-tolerance approach towards retaliation, discrimination, and harassment. Any employee found engaging in retaliatory behaviour is subject to disciplinary action in accordance with Company policies.

By implementing these mechanisms, TAJ GVK aims to create a safe, respectful, and inclusive workplace environment where individuals feel empowered to raise concerns without fearing adverse consequences.

**9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)**

Yes. Human rights requirements are integrated into TAJ GVK's business agreements and contracts through its Supplier Code of Conduct. All suppliers are expected to uphold ethical labour practices, respect human rights, prohibit child and forced labour, ensure fair wages, and maintain safe working conditions in compliance with applicable laws and standards. Suppliers are additionally required to extend these principles across their own supply chains, thereby reinforcing responsible business conduct throughout the value chain.

**11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.**

Not Applicable, as no such cases or incidents were reported during the current financial year. However, TAJ GVK continues to adopt a proactive approach to uphold human rights across its operations through established policies and processes, including a robust Prevention of Sexual Harassment (POSH) Policy, grievance redressal mechanisms, and regular training and awareness programmes to promote a safe, respectful, and inclusive workplace.

**LEADERSHIP INDICATORS****1. Details of a business process being modified / introduced as a result of addressing human rights grievances/complaints.**

Not applicable, as there have been no complaints related to human rights reported during the reporting period. Consequently, no modifications to business processes have been required or made in this regard.

**2. Details of the scope and coverage of any Human rights due diligence conducted.**

Company adheres to all applicable statutory obligations related to the protection and promotion of human rights across its operations. The company ensures compliance through its internal policies, including its Human Rights Policy and Code of Conduct, which guide responsible workplace practices and ethical behavior. Looking ahead, TAJ GVK plans to strengthen its human rights framework by undertaking periodic reviews and due diligence of its existing practices, procedures, and performance.

**3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?**

Yes, TAJ GVK ensures that all hotel premises are equipped with facilities to support differently abled guests, in line with the requirements of the Rights of Persons with Disabilities Act, 2016. Each property is thoughtfully designed to provide barrier-free access to shared spaces, including work areas, restrooms, and social zones for all individuals. Features such as ramps, handrails, widened entryways, accessible washrooms, and appropriate signage have been incorporated. The Company continues to review and improve its accessibility infrastructure on a periodic basis to ensure an inclusive environment for all.

#### 5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Yes, TAJ GVK has established a Zero Liquid Discharge (ZLD) mechanism and is progressing towards achieving ZLD across all its hotels by 2030. As of FY 2025-26, four of the Company's five hotels have already achieved ZLD status. Separate Sewage Treatment Plants (STPs) and Effluent Treatment Plants (ETPs) have been deployed across the majority of properties to treat sewage and laundry wastewater, ensuring that treated water is recycled rather than discharged. The treated water is reused for horticulture, gardening, flushing, and cooling tower operations, reducing dependence on freshwater resources. The Company continues to optimise water consumption through the treatment, recycling, and reuse of water across its operations.

**6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:**

**8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.**

Yes, TAJ GVK has undertaken several projects aimed at curbing GHG emissions across its operations. Key initiatives include:

- **LED Lighting Upgrade:** Traditional lighting fixtures have been replaced with energy-efficient LED lights across properties, bringing down overall electricity consumption and associated emissions.
- **AHU Replacement:** Older Air Handling Units (AHUs) have been swapped out with newer, energy-efficient models to improve air circulation and ventilation systems, resulting in lower energy consumption and reduced GHG emissions.
- **VFD Chiller Installation:** Variable Frequency Drive (VFD) chillers have been deployed to enable better control over the cooling process, delivering significant energy savings and a corresponding reduction in GHG emissions.
- **Renewable Energy Adoption:** Procurement of third-party wind energy helps lower carbon intensity and supports the shift towards cleaner energy sources.
- **Cooling Tower Efficiency:** Regular upkeep of cooling systems is carried out to maintain optimal thermal performance and achieve energy savings.
- **Cleaner Fuel Transition:** Charcoal-fired tandoors have been transitioned to Piped Natural Gas (PNG), bringing down air pollution levels and contributing to a reduction in the overall carbon footprint of kitchen operations.

**9. Provide details related to waste management by the entity:**

**10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such waste.**

- TAJ GVK follows a comprehensive approach to waste management across its properties, ensuring responsible handling of all waste streams generated during operations.
- Waste Segregation: Waste is segregated at source into biodegradable, recyclable, and hazardous categories, ensuring that each stream is directed towards the most appropriate and responsible disposal pathway.
- Organic Waste: Wet waste generated on-site is processed through Organic Waste Converters (OWC) for composting. The manure produced in the process is utilised for horticulture purposes, completing a closed-loop cycle for biodegradable waste. Food waste composting is being progressively scaled across all properties.

- E-Waste and Battery Disposal: These are channelled through authorised recycling vendors, ensuring compliance with applicable regulations and preventing hazardous materials from entering the environment.
- Dry Waste and Recyclables: Other dry waste generated across properties is handed over to the respective municipal bodies for further segregation and recycling. Recyclable materials are additionally managed through authorised vendors to ensure traceability and support circularity, diverting recoverable materials from landfills.
- Plastic Reduction: On-site water bottling units at select properties have reduced plastic consumption by replacing single-use bottles with reusable glass alternatives. Plastic packaging is being steadily replaced with bio-compostable and paper-based alternatives, with the entity targeting elimination of all single-use plastics by 2030.

With respect to hazardous and toxic chemicals, used oils and chemicals are managed in line with Material Safety Data Sheet (MSDS) protocols. The entity is also transitioning towards eco-friendly cleaning agents to reduce toxic load and create a safer environment for guests, employees, and the surrounding ecosystem. All hazardous waste is disposed of through certified and authorised vendors, ensuring full regulatory compliance.

**11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required.**

**5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.**

Yes, TAJ GVK has a Business Continuity and Disaster Management Plan in place. The framework is governed by a dedicated Risk Management Committee, which meets periodically to evaluate, update, and strengthen the plan in line with evolving risks and operational requirements.

The framework is aligned with Tata Group's Disaster Response Guidelines, with each property maintaining a site-specific emergency preparedness plan developed through systematic risk and threat assessments. Clearly defined response protocols cover evacuation, first aid, communication strategies, and coordination with local authorities. Personnel are trained and assigned specific roles to ensure swift and effective response and recovery. Preparedness is regularly validated through mock drills and simulation exercises in collaboration with relevant agencies. All incidents are thoroughly investigated, with corrective and preventive actions implemented to prevent recurrence.

**6. Disclose any significant adverse impact to the environment arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard?**

TAJ GVK recognises that its value chain spanning procurement, logistics, and vendor operations carries inherent environmental exposure in terms of emissions, resource consumption, and waste generation. While no significant adverse environmental impacts have been identified at this stage, the Company has proactively instituted a range of mitigation measures to manage these risks responsibly.

- Governance: A Sustainable Procurement Policy and Supplier Code of Conduct that mandate responsible sourcing, environmental compliance, and ethical business practices. Vendors are required to submit relevant certifications and align with TAJ GVK's sustainability expectations.
- Reducing Transportation related Emissions: Local procurement is actively prioritised across categories, limiting the distance goods travel and thereby curtailing logistics-related carbon emissions at the source.
- Packaging and Plastic Elimination: Close collaboration with the supplier base is driving a progressive reduction in packaging waste, with single-use plastics being systematically phased out in favour of sustainable and greener alternatives.
- Continuous Risk Monitoring: Environmental risks across the value chain are regularly assessed, with corrective and adaptive measures implemented wherever vulnerabilities are identified, keeping TAJ GVK's supply chain practices aligned with its overarching sustainability commitments.

**7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.**

100% of Tier I value chain partners are required to submit compliance declarations in alignment with applicable environmental regulations and the Company's Supplier Code of Conduct.

### 5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes. TAJ GVK has established a Cyber Consolidated Policy. The policy is designed to protect confidentiality, integrity, and availability of information assets. It covers access controls, cryptographic measures, network and communication security, cloud security, mobile device and teleworking security, malware protection, vulnerability management, and data backup and recovery. Provisions for information security incident management, continuous security monitoring, periodic security reviews, and independent audits are also embedded within the policy to ensure ongoing compliance and effectiveness.

On data privacy, the framework includes a dedicated Privacy by Design policy that integrates privacy principles into systems and business processes at the design stage itself. It ensures protection of personally identifiable information (PII), compliance with applicable data protection laws and contractual obligations, and requires Data Protection Impact Assessments (DPIAs) to be conducted where processing activities present a high risk to individuals.

The framework further mandates regular information security awareness training for all employees and contractors to ensure that cybersecurity and data privacy responsibilities are clearly understood and consistently practiced across the organisation.

**2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.**

The Company actively promotes the safe and responsible use of its services through the following initiatives:

- Digital Resources and Customer Engagement: The Company utilises its website and mobile platforms as key channels to inform and engage consumers. The website has been revamped to enhance customer experience and provide consumers with easier access to relevant information. Mobile platforms have been developed specifically for loyalty and on-the-go segments, ensuring consumers are kept informed at every touchpoint. Additionally, digital platforms and loyalty programmes are actively leveraged to gather guest feedback, which is used to continuously refine and improve service offerings.

- **Transparent Communication:** The Company ensures that clear and comprehensive information regarding service features, benefits, and safety guidelines is made readily available to consumers, enabling them to make well-informed decisions.
- **Safety Guidelines and Training:** Guests are provided with relevant safety instructions at all properties. The premises are equipped with essential safety infrastructure, including fire extinguishers, hose pipes, and prominently displayed emergency procedure boards. A Basic Safety Training Module has been implemented across all hotels, serving as both an induction and refresher programme, while health, safety, and security awareness sessions are conducted continuously by hotel teams.
- **Educational Initiatives:** Workshops, webinars, and awareness sessions are conducted to educate guests on responsible usage of services and emergency protocols, fostering informed and proactive behaviour among consumers.

Through these measures, the Company reinforces its commitment to consumer safety, awareness, and responsible engagement.

### **3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.**

The Company has established a robust communication framework to promptly notify consumers of any potential risks arising from service disruption or discontinuation. The key channels through which consumers are informed include:

- **Email Alerts:** Critical information pertaining to service disruptions or discontinuations is promptly communicated to consumers via email, ensuring timely and direct outreach.
- **Website Announcements:** The Company's official website serves as a centrally managed platform for real-time updates, featuring prominent announcements and guidance to keep consumers informed during disruptions.
- **Digital Platforms:** WhatsApp and social media channels are actively utilised to disseminate timely updates, facilitating rapid information sharing and enabling active consumer engagement.
- **Call Center Support:** Dedicated call centres, including TAJ Call Centres, provide consumers with accurate and up-to-date information on service disruptions, ensuring queries are addressed promptly.
- **On-Site Notifications:** For guests residing at the Company's hotel properties, timely updates and guidance are communicated through on-site channels, ensuring guests are kept informed at all times.

Depending on the urgency and nature of the situation, the Company selects the most suitable channel or a combination of channels to ensure consumers are promptly informed and appropriately guided.

#### **4. a. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief.**

TAJ GVK operates in the hospitality sector and does not manufacture or sell physical products that require statutory labeling. Therefore, the display of product information under packaging laws is not applicable.

#### **b. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No).**

Yes. TAJ GVK conducts consumer satisfaction surveys through TrustYou, a globally recognised reputation management and guest intelligence platform, covering its major product and service categories – accommodation, food & beverage, and meetings & events, across all significant locations of operation.

Post-stay feedback is captured at the individual hotel level and consolidated across multi-channel sources including online travel agents, social media, and direct survey responses into a single TrustScore. AI-powered sentiment analysis identifies specific service areas where performance is excelling or corrective action is required.

Survey insights are reviewed on a continuous basis by hotel General Managers and Operations leadership, and findings are used to drive operational improvements, staff training, and service enhancements across the portfolio.

# **STANDALONE FINANCIAL STATEMENTS**

# Independent Auditor's Report

To  
**The Members of TAJ GVK Hotels & Resorts Limited**  
**Report on the Audit of the Standalone Financial Statements**

## Opinion

We have audited the accompanying standalone financial statements of TAJ GVK Hotels & Resorts Limited (the "Company"), which comprise the Standalone Balance Sheet as at 31st March, 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act"), as amended, in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, its profit and other comprehensive income, the changes in equity, and its cash flows for the year then ended.

## Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

## Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Financial and Operational Review, Director's Report, Business Responsibility Report, Corporate Governance Report, Annual Report on CSR activities, but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The other information is expected to be made available to us after the date of this auditor's report. When we read such other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

#### **Management's and Board of Directors' Responsibilities for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, its profit and other comprehensive income, the changes in equity, and its cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with the Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended 31 March 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. (A) As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matter stated in the paragraph 2B(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e) On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. the Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer Note 30 and 31 to the financial statements.
  - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. As stated in Note 33 to the standalone financial statements, the final dividend paid by the Company during the year, in respect of the dividend declared for the previous financial year 2024–2025, is in accordance with the requirements of Section 123 of the Companies Act, 2013, to the extent applicable to the payment of dividend.

Further, the Board of Directors of the Company has proposed a final dividend for the current year, which is subject to the approval of the members at the ensuing Annual General Meeting. In our opinion, the proposed dividend is in accordance with the requirements of Section 123 of the Companies Act, 2013, to the extent applicable to the declaration of dividend.

vi. Based on our examination which included test checks, except for data changes performed by users having privileged access till 26th June, 2025 and as explained in note 44 of the standalone financial statements, the Company has used accounting softwares for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of the audit trail feature being tampered with. Additionally, other than periods where audit trail (edit log) facility was not enabled in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

C. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

## to the Independent Auditor’s Report

(Referred to in paragraph 2A(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of TAJ GVK Hotels & Resorts Limited of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to Standalone Financial Statements of **TAJ GVK Hotels & Resorts Limited** (the “Company”) as of 31st March, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Standalone Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to Standalone Financial Statements.

### Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company’s internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at 31 March, 2026, based on the criteria for internal financial controls with reference to Standalone Financial Statements established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## Annexure “A” to the Independent Auditor’s Report

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of TAJ GVK Hotels & Resorts Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company’s Property, Plant and Equipment and Intangible Assets:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a programme for the physical verification of Property, Plant and Equipment covering all the items in a phased manner, i.e., at least once every three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with the said programme, the management carried out the physical verification of Property, Plant and Equipment during the financial year. According to the information and explanations given to us, the discrepancies noticed during such verification are under reconciliation and will be appropriately accounted for by the Company upon completion of the reconciliation.

(c) The title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) included in the fixed assets register are held in the name of the Company as at the balance sheet date except to the extent stated in note No.32 of the financial statements. Immovable properties of land whose title deeds have been mortgaged as security for loans are held in the name of the Company based on the information’s received by us.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right- of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at 31 March, 2026 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

ii. (a) The company’s inventories have been physically verified by the Management during the year at reasonable intervals. In our opinion, the frequency of such verification is reasonable and coverage as followed by management were appropriate. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.

(b) The Company had been sanctioned working capital limits in excess of Rs. Five Crores in aggregate from banks against the security of its current assets. The sanctioned limits include an overdraft facility which remained unutilised throughout the year. In accordance with the terms of the sanction, no periodic returns or statements of current assets were required to be submitted to the bank in respect of the said facility and accordingly, paragraph 3(ii)(b) of the Order is not applicable.

iii. According to the information and explanations furnished to us and based on our audit procedures, except for the investments made in its subsidiary and in other entity during the year, the Company has not granted any loans, secured or unsecured, or advances in the nature of loans, or provided any guarantees or security to companies, firms, Limited Liability Partnerships or any other parties during the year.

(A) The aggregate amount of investments made during the year and the balance outstanding as at the balance sheet date are as follows:

| Particulars                                      | Subsidiary | Others |
|--------------------------------------------------|------------|--------|
| Aggregate amount invested during the year        |            |        |
| Green Woods Palaces and Resorts Private Limited  | 1,609.10   | –      |
| Green Infra Windfarms Limited                    | –          | 0.30   |
|                                                  |            |        |
| Balance outstanding as at the Balance Sheet date |            |        |
| Greenwoods Palaces and Resorts Private Limited   | 12,634.10  | –      |
| Green Infra Windfarms Limited                    | –          | 2.10   |

(B) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that the investments made by the Company during the year are not prejudicial to the interests of the Company.

Since the Company has not granted any loans, secured or unsecured, or advances in the nature of loans, or provided any guarantees or security to any company, firm, Limited Liability Partnership or other party during the year, the reporting requirements under Clauses 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order are not applicable.

- iv. According to the information and explanations furnished to us, the Company has not granted any loans, or made any investments or provided any guarantees or security during the year to any of the parties specified in Sections 185 and 186 of the Companies Act, 2013. Accordingly, reporting under the provisions of Clause 3 (iv) of the said Order not applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits for which the directions issued by the Reserve Bank of India and provisions of Section 73 to Section 76 or any other relevant provision of the Act and the Rules framed there under, were applicable.

Further no order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal and accordingly, paragraph 3(v) of the Order is not applicable.

- vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Accordingly, reporting under clause (vi) of the Order is not applicable.

vii. In respect of statutory dues:

- (a) The Company is generally regular in depositing undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, customs duty, excise duty, value added tax, cess and any other material statutory dues applicable to it with the appropriate authorities during the year.

There were no undisputed amounts payable in respect of goods and service tax, provident fund, employees' state insurance, income tax, sales tax, service tax, customs duty, excise duty, value added tax and cess which were in arrears as at 31st March, 2026 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March, 2026, on account of disputes, as per the information and explanations furnished to us, are given below:

| Name of the Statute      | Nature of Dues | Amount in Rs. Lakhs | Period to which the amount relates | Forum where the dispute is pending                    |

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- ix. (a) The Company has not defaulted in respect of repayment of loans or borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us and based on the records examined by us, the loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its joint venture or subsidiary
- (f) The Company has not raised any loans during the year on the pledge of securities held in its joint venture or subsidiary and hence reporting on clause 3(ix)(f) of the Order is not applicable.

- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3(x)(a) of the Order is not applicable.

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and accordingly, reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) During the course of our examination of the books and other records of the Company carried out in accordance with the generally accepted auditing practices in India, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year, nor have we been informed of such case by the management.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report and hence reporting under clause 3(xi) (b) of the Order is not applicable.
- (c) As represented to us by the management, the Company has not received any whistle blower complaints during the year (and upto the date of this report).
- xii. The Company is not a Nidhi Company and accordingly, reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, all the transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. The Company has not entered into non-cash transactions with directors or persons connected with them and hence provisions of Section 192 of the Act are not applicable.
- xvi. (a) In our opinion, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted non-banking financial / housing finance activities during the year. Accordingly, the reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directors, 2016) and accordingly, paragraph 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than on ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act.
- (b) The unspent amount in respect of ongoing projects has been transferred to a Special Account in compliance with the requirements of sub-section (6) of section 135 of the Companies Act, 2013. Refer Note 38 to the standalone financial statements.

# Notes to Standalone Financial Statement for the year ended 31 March, 2026

## 1. General information

TAJ GVK Hotels & Resorts Limited ("TAJGVK" / "the Company") was incorporated on 2nd February, 1995 in the erstwhile state of Andhra Pradesh, India. The Company was started as joint venture between the GVK Group and The Indian Hotels Company Limited. During the year under review The Indian Hotels Company Limited sold its shareholding in the company and consequently ceased to be a Joint Venture with effect from 30th December 2025. The Company is primarily engaged in the business of owning, operating & managing hotels, palaces and resorts with the brand name of "TAJ".

These Standalone financial statements were authorized for issue by a resolution of the Board of Directors passed on May 28, 2026.

## 2. Basis of Preparation, Critical Accounting Estimates and Judgements, Material Accounting Policies and Recent Accounting Pronouncements

### i. Statement of compliance:

These Standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and other provisions of the Companies Act, 2013 as amended from time to time. The accounting policies as set out below have been applied consistently to all years presented in these financial statements.

### ii. Basis of preparation of financial statements:

These Standalone financial statements have been prepared under the historical cost convention except certain financial instruments measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. The Company follows accrual method of accounting.

The Financial Statements are presented in Indian Rupees Lakhs, and all values are rounded off to the nearest two decimals, except when otherwise stated.

### iii. Classification of Assets and Liabilities into current and Non-current

The company presents its assets and liabilities in the Balance Sheet based on current/non-current classification;

#### **An asset is treated as current when it is:**

Expected to be realized or intended to be sold or consumed in the normal operating cycle; or

Held primarily for the purpose of trading; or

Expected to be realized within twelve months after the reporting period; or

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

#### **A liability is treated as current when it is:**

Expected to be settled in the normal operating cycle;

Held primarily for the purpose of trading;

Expected to be settled within twelve months after the reporting period; or

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

#### **All other liabilities are classified as non-current**

The operating cycle is the time between the acquisition of assets and their realization in cash and cash equivalents. Based on the services rendered and their realizations in cash and cash equivalents, the company has ascertained its operating cycle is 12 months for the purpose of current and non-current classification of assets and liabilities.

### iv. Significant accounting estimates, judgements and assumptions

The preparation of the company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. Actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

In the process of applying the Company's accounting policies, management has made the following Judgements, estimates and assumptions which have significant effect on the amounts recognised in the financial statements:

**Useful Lives of Property, Plant and Equipment and Intangible Assets:**

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

**Impairment Testing:**

Property, plant and equipment, Right-of-Use assets and intangible assets that are subject to depreciation/ amortisation are tested for impairment periodically including when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

**Income Taxes:**

Deferred tax assets are recognised to the extent that it is regarded as probable that deductible temporary differences can be realised. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit and Loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case laws and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore, the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit and Loss.

**Defined Benefit Plans:**

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

**Allowance for uncollectible trade receivables**

Trade receivables do not carry interest and are stated at their transaction price, net of allowances for expected credit losses. The Company applies the simplified approach prescribed under Ind AS 109 for measuring expected credit losses on trade receivables and recognises lifetime expected credit losses from the date of initial recognition of the receivables.

At each reporting date, the Company assesses the expected credit losses on trade receivables based on historical credit loss experience, ageing of receivables, customer-specific factors, current economic conditions and forward-looking information.

The Company individually assesses trade receivables from significant customers and customers with identified credit risk based on their financial position, payment history and other relevant information. Where such assessment indicates that no expected credit loss exists due to the customer's strong credit quality and demonstrated payment behaviour, no impairment allowance is recognised. For the remaining trade receivables, the Company estimates expected credit losses using appropriate provisioning rates based on historical loss experience, adjusted for current and forward-looking information.

Trade receivables are written off when there is no reasonable expectation of recovery. Subsequent recoveries of amounts previously written off are recognised in the Consolidated Statement of Profit and Loss.

**Provisions and Contingency:** The Company has assessed the probable unfavourable outcomes and creates provisions where necessary. Where these are assessed as not probable or where they are probable upon a contingency, they are disclosed as contingent liability.

**v. Material Accounting Policies****a) Revenue Recognition:**

Revenue is recognised at an amount that reflects the consideration to which the Company expects to be entitled in exchange for transferring the promised goods or services to a customer i.e. on transfer of control of the goods or service to the

## Notes to Standalone Financial Statement for the year ended 31 March, 2026

customer. Revenue from sales of goods or rendering of services is net of Indirect taxes, returns and variable consideration on account of discounts and schemes offered by the company as part of the contract.

### **Income from Operations**

Revenue is recognised at the transaction price that is allocated to the performance obligation.

### **Rooms, Food and Beverage & Banquets:**

Revenue includes

- Room revenue which is recognised on a day-to-day basis once the rooms are occupied
- Food and beverages revenue is recognised on sale
- Banquet services revenue is recognised on provision of services as per the contract with the customer

### **Other Allied Services:**

In relation to laundry income, communication income, health club income, airport transfers income and other allied services, the revenue has been recognised by reference to the time of service rendered.

### **Space and Shop Rentals:**

Rentals basically consists of rental revenue earned from letting of spaces for retails and office at the properties. These contracts for rentals are generally of short term in nature. Revenue is recognised in the period in which services are being rendered.

### **Membership Fees:**

Membership fee income majorly consists of membership fees received from the Chamber membership fees. In respect of performance obligations satisfied over a period of time, revenue is recognised at the allocated transaction price on a time-proportion basis.

### **Contract Balances**

#### **Contract Assets**

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

#### **Contract Liabilities**

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Company performs under the contract (Refer Note No.22) for details on contract liabilities recognised by the Company).

### **b) Other income:**

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income from investments in its subsidiary or joint venture is recognised in the Statement of Profit and Loss when the Company's right to receive the dividend is established, which is generally upon approval of the dividend by the shareholders of the investee company.

### **c) Inventories:**

Inventories comprise mainly stock of food and beverages, stores and operating supplies that are carried at the lower of cost (computed on a Weighted Average basis) or net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and selling expenses.

Cost includes the purchase price less trade discounts and rebates if any, including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase.

### **d) Property Plant and equipment:**

Property Plant and equipment are stated at cost, net of credit availed in respect of any taxes, duties less accumulated depreciation. Property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

All property, plant and equipment are initially recorded at cost. Cost includes the acquisition cost or the cost of construction, including duties and non-refundable taxes, expenses directly related to bringing the asset to the location and condition necessary for making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs. Expenditure directly relating to construction/erection activity is capitalised. Indirect expenditure incurred during construction period is capitalised as part of the construction cost to the extent such expenditure is related to construction or is incidental thereto.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

**Depreciation and Amortization:**

Depreciation is charged to the Statement of Profit and Loss so as to expense the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method, as per the useful life prescribed in part "C" of Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets had been re-assessed as under based on technical evaluation, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support, etc.

| Class of Asset                            | Estimated Useful Life |
|-------------------------------------------|-----------------------|
| Plant and machinery                       | 10 to 20 years        |
| Electrical installations and equipment    | 20 years              |
| Hotel Wooden Furniture                    | 15 years              |
| Non-wooden furniture & fittings           | 8 years               |
| End User devices- Computers, Laptops, etc | 6 years               |
| Electrical Vehicles                       | 4 years               |

In respect of buildings on leasehold land, depreciation is based on the tenure which is lower of the life of the buildings or the expected lease period. Improvements to owned/ leased buildings are depreciated based on their estimated useful lives/ expected lease period.

The assets' estimated useful lives, residual values and depreciation method are reviewed at the Balance Sheet date and the effect of any changes in estimates are accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss. Proportionate depreciation is charged for the addition and disposal of an item of property, plant and equipment made during the year.

In the transition to Ind-AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2015 (transition date ) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Capital work in progress represents projects under which the property, plant and equipment are not yet ready for their intended use and are carried at cost determined as aforesaid. Direct expenditure during construction period attributable to the cost of assets under construction is considered as capital work in progress and indirect expenditure is included under expenditure during construction period pending allocation.

**e) Intangible assets:**

Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use and are carried at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets are carried at cost, net of credit availed in respect of any taxes and duties, less accumulated amortization. Computer software is classified under "Intangible Assets".

Intangible assets with finite useful lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization periods are reviewed and impairment evaluations are carried out once a year.

The rates currently used for amortizing intangible assets are as under:

| Class of Asset                 | Estimated Useful Life |
|--------------------------------|-----------------------|
| Computer Software and Licences | 6 -10 years           |

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected to arise from the continued use of the asset. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in the Statement of Profit and Loss when the asset is derecognised

In the transition to Ind-AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

## Notes to Standalone Financial Statement for the year ended 31 March, 2026

### f) Leases:

Effective April 1, 2019 the company has applied Ind AS 116 which replaced Ind AS 17 Leases.

#### Lessee:

On inception of a contract, the company (as a lessee) assesses whether it contains a lease. A contract is, or contains a lease when it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the company assesses whether: (i) the contract involves the use of an identified asset (ii) the company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the company has the right to direct the use of the asset. The right to use the asset and the obligation under the lease to make payments are recognised in the Company's statement of financial position as a right-of-use asset and a lease liability.

#### Right-of-Use Assets

The right-of-use asset recognised at lease commencement includes the amount of lease liability recognised, initial direct costs incurred, and lease payments made at or before the commencement date, less any lease incentives received. Right-of-use assets are depreciated over the shorter of the asset's estimated useful life and the lease term. Right-of-use assets are also adjusted for any re-measurement of lease liabilities and are subject to impairment testing. Residual value is reassessed annually.

At the date of commencement of the lease, the company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for initial direct costs incurred, lease payments made at or before the commencement date, any asset restoration obligation, and less any lease incentives received. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are also adjusted for any re-measurement of lease liabilities. Unless the company is reasonably certain to obtain ownership of the leased assets or renewal of the leases at the end of the lease term, recognised right-of-use assets are depreciated to a residual value over the shorter of their estimated useful life or lease term.

#### Lease Liabilities

The lease liability is initially measured at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments and variable lease payments that depend on an index or a rate, less any lease incentives receivable. In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

The lease term includes periods subject to extension options which the company is reasonably certain to exercise and excludes the effect of early termination options where the company is not reasonably certain that it will exercise the option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments are presented as amortization of ROU assets along with depreciation and interest on lease liability along with finance cost.

Leases where the lease rental is contingent upon revenue, do not fall under the above definition. The assets under lease are not recognised in the Company's books in such case and lease rental paid to the lessor is accounted in books of account as expenditure.

**Short-term and low-value leases:** The Company applies the practical expedient available under Ind AS 116 and does not apply the lease accounting model to leases with a lease term of 12 months or less and leases of low-value assets. Costs associated with such leases are recognised as an expense on a straight-line basis over the lease term.

#### Lessor:

Rental income from operating lease is recognised on a straight line basis over the lease term unless payments to the Company are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increase. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. No change in recognition or disclosure is made to lease rentals earned by the company in the capacity as a lessor, pursuant to adoption of Ind AS 116.

### g) Impairment of Assets

Assets that are subject to amortisation are reviewed for impairment periodically including whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks

specific to the asset for which the estimates of future cash flows have not been adjusted. Where the asset does not generate cash flows that are independent from other assets, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss to the extent that it eliminates the impairment loss which has been recognised for the asset in prior years.

#### **h) Foreign Currency Translation:**

The Company's financial statements are presented in Indian Rupee (INR), which is also the Company's functional currency.

**Initial recognition:** Transactions in foreign currencies are initially recorded at the exchange rates (INR spot rate) prevailing on the date of the transaction.

#### **Subsequent Recognition:**

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

#### **i) Employee Benefits :**

##### **i. Short term Employee Benefits**

Short term employee benefits are expensed as the related services are provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

##### **ii. Post-Employment Benefits:**

**Defined Contribution Plans:** A defined contribution plan is a post employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

##### **a) Provident Fund**

The eligible employees of the Company are entitled to receive post-retirement benefits in respect of provident fund a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' eligible salary). The contributions are made to the provident fund to the Regional Provident Fund Commissioner (RPFC), which are charged to the Statement of Profit and Loss as incurred.

##### **b) Superannuation**

The Company has a defined contribution plan for eligible employees, wherein it annually contributes a sum equivalent to a defined percentage of the eligible employee's annual basic salary to a fund administered by the LIC. The Company recognises such contributions as an expense in the year in which the corresponding services are received from the employees.

**Defined Benefit Plans:** The Company operates various defined benefit plans, which requires contributions to be made to a separately administered fund.

##### **Gratuity:**

Gratuity to employees is covered under Group Gratuity Life Assurance Scheme. At the reporting date, Company's liability towards gratuity is determined by independent actuarial valuation using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

The obligation determined as aforesaid less the fair value of the plan assets is reported as a liability or asset as of the reporting date.

## Notes to Standalone Financial Statement for the year ended 31 March, 2026

Past service costs are recognised in statement of profit and loss on the earlier of:

- The date of the plan amendment or curtailment and
- The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation as an expense in its statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

Remeasurement, comprising actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit (net of taxes) to retained earnings through OCI in the period in which they occur. Remeasurement is not reclassified to statement of profit and loss in subsequent periods.

### **Other Long-term Employee Benefits–Compensated Absences**

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/ availment. The Company makes provision for compensated absences based on an independent external actuarial valuation carried out at the end of the year.

### **j) Borrowing Costs:**

General and specific borrowing costs directly attributable to the acquisition, construction of qualifying assets, which take a substantial period of time to get ready for their intended use, is initially carried under expenditure incurred during the construction period and the borrowing cost till the assets are substantially ready for their intended use is added to the cost of those assets.

Borrowing costs that are not directly attributable to a qualifying asset are recognised in the Statement of Profit and Loss using the effective interest rate method in the period in which they are incurred.

### **k) Taxes on income:**

Income tax expense comprises of current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity, respectively.

#### **Current tax**

Current Tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the Income Tax Act, 1961 rates at the end of the reporting period.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

#### **Deferred Tax:**

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred tax liabilities are generally recognized for all taxable temporary differences. The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax liabilities and assets are measured at tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off deferred tax assets against deferred tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its deferred tax assets and liabilities on a net basis.

Current and deferred tax are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

**l) Earnings per share:**

- a. Basic earnings per share: Basic earnings per share is calculated by dividing the net profit or loss for the year after tax attributable to equity shareholders by weighted average number of equity shares outstanding during the period.
- b. Diluted earnings per share: Diluted earnings per share is calculated by dividing the net profit or loss for the year after tax attributable to equity shareholders by the weighted average number of equity shares outstanding including equity shares which would have been issued on the conversion of all dilutive potential equity shares unless they are considered anti-dilutive in nature.

**m) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Company has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law, or constructive because the Company created valid expectations on the part of third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. The amount recognised as a provision and the indicated time range of the outflow of economic benefits are the best estimate (most probable outcome) of the expenditure required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. Non-Current provisions are discounted if the impact is material.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

Provisions, contingent assets and contingent liabilities are reviewed at each reporting period.

**n) Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents include cash on hand, balances with banks, and short-term fixed deposits with a maturity period of 3 months or less.

**o) Investments**

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A subsidiary is an entity over which the Company has control. Control exists when the Company is exposed to, or has rights to, variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Investments in subsidiaries and joint ventures are recognised initially at cost and are subsequently carried at cost less impairment losses, if any, in the standalone financial statements.

During the year, the Company's investment in the investee was classified as a joint venture up to 9 February 2026. Pursuant to the acquisition of control with effect from 10 February 2026, the investee has been classified as a subsidiary. Accordingly, the investment has been accounted for as an investment in a joint venture up to 9 February 2026 and as an investment in a subsidiary thereafter in accordance with the requirements of the applicable Indian Accounting Standards.

**Other investments**

Any investments other than the above and to be held beyond 12 months, are classified as Non-Current Investments. All other investments for a period less than 12 months are classified as Current Investments.

**Transition to Ind-AS:**

On transition to Ind AS, the Company has elected to continue with the carrying value of all its Investment in joint ventures and other investments recognised as at 1 April 2015 measured as per previous GAAP.

# Notes to Standalone Financial Statement for the year ended 31 March, 2026

## **Impairment:**

The Company reviews its carrying value of investments carried at cost or amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

## **p) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **Financial Assets**

#### **Initial recognition and measurement:**

Financial assets are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial assets at initial recognition.

All financial assets excludes trade receivables are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss transaction costs that are attributable to the acquisition of the financial asset and other equity investment, which are held pursuant to a statutory obligation, are recognized at cost. Trade receivables that do not contain a significant financing component are measured at transaction price.

#### **Subsequent measurement:**

##### **Financial Assets at Amortised Cost**

Other financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold such assets for collection of contractual cash flows and the contractual terms of the financial assets give rise, on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### **De-recognition:**

A financial asset (or where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and either:

- (a) the Company has transferred substantially all the risks and rewards of ownership of the asset, or
- (b) the Company has neither transferred nor retained substantially all the risks and rewards of ownership of the asset but has transferred control of the asset.

### **Impairment of Financial Assets**

The Company assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS 109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance. For trade receivables only, the Company recognises expected lifetime losses using the simplified approach permitted by Ind AS 109, from initial recognition of the receivables. As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates

For other financial assets (not being equity instruments or debt instruments measured subsequently at FVTPL) the expected credit losses are measured at the 12 month expected credit losses or an amount equal to the lifetime expected credit losses if there has been a significant increase in credit risk since initial recognition.

### **Financial liabilities**

#### **Initial recognition and measurement:**

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, or as loans and borrowings and payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

#### **Subsequent measurement:**

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss.

### **Loans and borrowings**

Interest-bearing borrowings are initially recognised at fair value, net of transaction costs incurred. After initial recognition, such borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method.

Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised, as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

### **Derecognition :**

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### **q) Recent Accounting Pronouncements**

#### **New and Amended Standards Reviewed by the Company:**

##### **Ind AS 21 – The Effects of Changes in Foreign Exchange Rates:**

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21 – The Effects of Changes in Foreign Exchange Rates, applicable for annual periods beginning on or after April 1, 2025. The amendment introduces a new framework for assessing whether a currency is exchangeable into another currency and provides guidance when exchangeability is lacking. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

##### **In August 2025, the MCA notified the following amendments:**

Ind AS 1 – Presentation of Financial Statements (applicable w.e.f. April 1, 2025) The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. Based on the Company's assessment, the Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

##### **Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (applicable w.e.f. April 1, 2025)**

The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

##### **New Standards/Amendments notified but not yet effective:**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2026, MCA has not notified any other new standards or amendments to the existing standards applicable to the Company.

**iii) Contract Balances**

Contract liabilities primarily represent advance consideration received from customers in respect of services to be rendered. Revenue is recognized when the Company satisfies the related performance obligations by transferring control of the promised services to the customers.

(a) Advance collections are recognised when payment is received before the related performance obligation is satisfied. These include advances received from customers towards rooms, restaurants and banquet services. Revenue is recognised upon satisfaction of the related performance obligation, i.e., on room occupancy, sale of food and beverages, or provision of banquet services.

### Defined benefit plan:

#### Gratuity:

The Company operates a funded gratuity scheme for its employees. Under the scheme, employees are entitled to gratuity benefits upon retirement, resignation, death or disablement, in accordance with the provisions of the Payment of Gratuity Act, 1972.

The gratuity plan is a defined benefit plan. The Company's obligation in respect of the gratuity plan is determined on the basis of an actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method at each reporting date.

During the previous year, the actuarial valuation of gratuity obligations was carried out considering the implementation of applicable labour law changes and the revised gratuity benefit limits under the relevant provisions of the Payment of Gratuity Act, 1972. The impact of such changes, wherever applicable, has been considered in measuring the defined benefit obligation and recognised in the financial statements in accordance with Ind AS 19 – Employee Benefits.

The following tables summarize the components of net expense recognised in the Statement of Profit and Loss and amounts recognised in the Balance Sheet for the respective employee gratuity plans.

## Sensitivity Analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to the discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

| Particulars                                                     | Period Ended 31-Mar-26 |                        |
|-----------------------------------------------------------------|------------------------|------------------------|
|                                                                 | Discount Rate          | Salary Escalation Rate |
| Defined benefit Obligation on increase in 50 bps (Rs. in Lakhs) | 1154.14                | 1225.86                |
| Impact of increase in 50 bps on DBO (%)                         | (2.88%)                | 3.15%                  |
| Defined benefit Obligation on decrease in 50 bps (Rs. in Lakhs) | 1225.25                | 1153.29                |
| Impact of decrease in 50 bps on DBO (%)                         | 3.10%                  | (2.96%)                |

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analyses.

## Projected plan cash flow:

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date:

| Maturity Profile                        | Amounts (Rs. in Lakhs) |
|-----------------------------------------|------------------------|
| Expected benefits for year 1            | 447.51                 |
| Expected benefits for year 2            | 59.82                  |
| Expected benefits for year 3            | 79.61                  |
| Expected benefits for year 4            | 72.63                  |
| Expected benefits for year 5            | 96.70                  |
| Expected benefits for year 6            | 55.79                  |
| Expected benefits for year 7            | 58.51                  |
| Expected benefits for year 8            | 103.82                 |
| Expected benefits for year 9            | 78.40                  |
| Expected benefits for year 10 and above | 1109.22                |

The weighted average duration to the payment of these cash flows is 5.98 years.

## Compensated Absences:

The Company's liability towards un-funded leave encashment is determined by independent actuarial valuation using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

The Defined Benefit Obligation of compensated absence in respect of the employees of the Company as at 31 March 2026 works out to Rs. 479.10 Lakhs (2025: Rs. 424.75 Lakhs). The discount rate and salary escalation rate is the same as adopted for gratuity liability valuation.

The estimates of future salary increase (which has been set in consultation with the company) takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. The provision is presented as current and non-current based on the actuarial report obtained by the Company

## 38. Corporate Social Responsibility Expenditure

Ongoing Project: The Company has signed Memorandum of Understanding (MOU) with Bangalore Development Authority

(BDA), to rejuvenate and restore the Shivanahalli lake, Yelahanka, Bengaluru. The company is taking up the restoration works as per the approved plans of BDA.

For the FY2024-25, the company was required to spend an amount of Rs. 163.34 lakhs as per the provisions of Section 135 of the Companies Act, 2013. The company fully spent the amount which was earlier transferred to a separate suspense account as required under the provisions of Companies Act 2013.

Further, for the FY 2025-26, the company is required to spend an amount of Rs. 235.92 lakhs as per the provisions of Section 135 of the Companies Act, 2013. Accordingly, the Company has recognised a provision for the said amount in the books of account. The unspent amount has been transferred to a separate Unspent CSR Account in compliance with the requirements of the Companies Act, 2013.

No amounts relating to projects other than ongoing projects have been incurred as at March 31, 2026.

The Company has opted for the concessional tax regime under section 115BAA of the Income-tax Act, 1961. Accordingly, the income tax liability for the current financial year has been computed at the reduced corporate tax rate as prescribed under the said section.

Deferred tax assets and liabilities have been remeasured using the applicable tax rate under section 115BAA, and the resultant impact has been recognised in the Statement of Profit and Loss.

The Company reviews its income tax treatments in order to determine its impact on the financial statements. As a practice, where the interpretation of income tax law is not clear, management relies on the some or all of the following factors to determine the probability of its acceptance by the tax authority:

- Strength of technical and judicial argument and clarity of the legislation;
- Past experience related to similar tax treatments in its own case;
- Legal and professional advice or case law related to other entities.

After analysing above factors for each of such uncertain tax treatments, where the Company expects that the probability to sustain its position on ultimate resolution of such uncertain tax treatment is remote, the Company ensures that such uncertain tax positions are adequately provided for in the Company's financial Statements.

40. On November 21, 2025, the Government of India notified the four Labour Codes – The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and the Occupational Safety, Health & Working Conditions Code, 2020 – consolidating 29 existing labour laws. The Ministry of Labour and Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed the incremental impact of the changes on the basis of the best information available and arrived at an additional liability of Rs.422 lakhs which forms part of Employee Benefits Expenses for the year under review.

The Company continues to monitor the finalization of Central/ State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

41. During the year, the Board of Directors of the Company, at its meeting held on 09 February 2026, approved the acquisition of 15,05,100 equity shares of face value of Rs.10 each at a premium of Rs.96.91 per share from Greenridge Hotels & Resorts LLP in Green Woods Palaces and Resorts Private Limited ("Greenwoods"), based on an independent valuation of Greenwoods, for an aggregate consideration of Rs.1609.10 Lakhs. Pursuant to the completion of the aforesaid acquisition

on 10 February 2026, the Company's shareholding in Greenwoods increased from 48.99% to 51.00%, and consequently, Greenwoods, which operates the Taj Santacruz hotel, became a subsidiary of the Company with effect from 10 February 2026.

42. In the opinion of the Board of Directors of the company, the current assets, loans and advances are expected to realize in the ordinary course of business approximately the value at which they are stated in accounts.

#### 43. Segmental Reporting:

The Company's only business being hoteliering, disclosure of segment-wise information under Accounting Standard (AS) 108 "Segmental Information" notified by the Companies (Accounting Standards) Rules, 2006 (as amended) does not arise. There is no geographical segment to be reported since all the operations are undertaken in India.

#### 44. Audit Trail

The Company has conducted a greenfield implementation of SAP S/4HANA RISE and migrated from its legacy accounting system with effect from April 1, 2025. During the hypercare period, post go live, certain privileged users were granted access to transactional data to support and stabilise the application, including monitoring system integrations and accounting transactions. Such access was granted and used under Company's supervision and was progressively withdrawn by June 26, 2025 once system stability was achieved.

The feature of recording audit trail (edit log) facility has been activated in SAP S/4HANA RISE and has operated effectively throughout the year for all relevant transactions recorded in the software.

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

#### 45. Risk Management, Objectives and Policies:

##### Risks and Concerns

**Economic Risks:** Hotel business in general is sensitive to fluctuations in the economy. The hotel sector may be unfavourably affected by changes in global and domestic economies, changes in local market conditions, excess room supply, reduced international or local demand for hotel rooms and associated services, competition in the industry, government policies and regulations, fluctuations in interest rates and foreign exchange rates and other natural and social factors. Since demand for hotels is affected by world economic growth, a global recession could lead to a downturn in the hotel industry.

**Socio-Political Risks:** The Hotel industry faces risk from volatile socio-political environment, internationally as well as within the country. India, being one of the fastest growing economies of the world in the recent past, continues to attract investments. However, any adverse events such as political instability, conflict between nations, terrorist attacks or spread of any epidemic or security threats to any countries may affect the level of travel and business activity.

**Security Risks:** The Hotel industry demands peace at all times to flourish. The biggest villain in South East Asia has been terrorism supplemented by political instability. Subsequent to the Mumbai terror attacks in November 2008, the hotel industry has invested substantially on security and intelligence. The security concerns have been duly addressed instilling confidence in the customer by providing international standards of safety.

**Business interruption risk on account of unprecedented events like a pandemic:** A pandemic like the Covid-19 outbreak confronts the hospitality industry with an unprecedented challenge. It causes a severe downturn in all streams of business. With lockdowns and resultant travel and mobility restrictions, all corporate and leisure travel comes to a halt. With the fear of pandemic spread in enclosed spaces, stay-at-home orders, social distancing and community lockdowns, all restaurants and banquet business get severely affected with restaurants resorting to business from take-outs and banquet functions being conducted with limited attendance. Hygiene standards and pandemic protocols need to be strictly implemented to instill confidence into the customer and recover from any such incidence.

##### Company-specific Risks

##### Heavy Dependence on India

**Risk of wage inflation:** The hotel industry needs quality employees and with demand for the same improving across the industry, the Company feels that wage inflation would be a critical factor in determining costs for the Company. Thus, your Company will continue to focus on improving manpower efficiencies and creating a lean organization, while maximizing effectiveness in terms of customer service and satisfaction, which is an area of great importance for your Company.

**Foreign Exchange Risk:** Your Company may be impacted by the fluctuation of the Indian Rupee against other foreign currencies. To mitigate this risk the Company is operating on single currency billing in Indian Rupees.

**Project Implementation Risk:** Your Company may be impacted by delays in implementation of projects which would result in increasing project cost and loss of potential revenue. To mitigate this risk, the Company has in place an experienced project team supported by the leading external technical consultants and a dedicated project management company. The Company will endeavour to complete its projects on time at optimal cost so as to maximize the profitability.

## 49. Financial risk management objectives and policies

The Company is exposed to financial risk such as Market Risk (Interest Rate Risk, fluctuation in foreign exchange rates and price risk), credit risk and liquidity risk. The general risk management program of the Company focuses on the unpredictability of the financial markets and attempts to minimize their potential negative influence on the financial performance of the Company. The Company continuously reviews its risk exposures and takes measures to limit it to acceptable levels. The Board of Directors have the overall responsibility for the establishment and oversight of the Company's risk management framework.

### Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk i.e. interest rate risk, foreign currency risk and other price risk. Financial instruments of the Company affected by market risk include borrowings and deposits.

The sensitivity analysis in the following sections relate to the position as at 31 March 2026 and 31 March 2025.

The analysis exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities.

The following assumptions have been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2026 and 31 March 2025.

### Interest rate risk

The interest rate risk arises from long term borrowing of the company with variable interest rates (Bank one-year MCLR plus spread). Although the spread is fixed, it is subject to change at fixed time interval or occurrence of specified event(s). Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows::

| Particulars         | Increase / (decrease) in Interest Rate | Increase / (decrease) in profit before tax |
|---------------------|----------------------------------------|--------------------------------------------|
| As at 31 March 2026 | +50 bps                                | (34.39)                                    |

| As at 31 March 2025 | +50 bps                                | Nil                                        |
| As at 31 March 2025 | -50 bps                                | Nil                                        |

### Price risk

Price risk is the risk of fluctuations in the change in prices of equity Investments. The Company's investment in JV company is of strategic in nature rather than for trading purpose.

### Credit risk

Credit risk is the risk arising from credit exposure to customers and the counterparty will default on its contractual obligations.

The Company has adopted a policy of only dealing with creditworthy customers/ corporates to minimise collection losses. Credit Control team assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors. Advance payments are obtained from customers in banquets, as a means of mitigating the risk of financial loss from defaults.

The carrying amount of trade and other receivables, advances to suppliers, cash and short-term deposits and interest receivable on deposits represents company's maximum exposure to the credit risk. No other financial asset carry a significant exposure with respect to the credit risk. Deposits and cash balances are placed with Schedule Commercial banks.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company also holds advances as security from customers to mitigate credit risk.

### Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments held by the Company are in the nature of investment in jointly controlled entity and also an investment in an alternate energy supply company as required under the respective State energy policy. Both the categories are unquoted non-trade equity.

### Liquidity risk

Liquidity risk is the risk that the Company will have difficulty in raising the financial resources required to fulfill its commitments. Liquidity risk is held at low levels through effective cash flow management. Cash flow forecasting is performed internally by rolling forecasts of the Company's liquidity requirements to ensure that it has sufficient cash to meet operational requirements, to fund scheduled capex and debt repayments and to comply with the terms of financing documents.

The Company primarily uses short-term bank facilities in the nature of bank overdraft facility to fund its ongoing working capital requirements.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

#### Explanations to variance in Ratios:

- Debt–Equity Ratio is not comparable with the previous year as there were no outstanding borrowings in the previous year. The ratio for the current year is 0.09 times due to borrowings availed during the year.
- Debt Service Coverage Ratio improved due to lower debt servicing obligations during the current year following the repayment of borrowings in the previous year.
- Trade receivable turnover ratio decreased due to increase in average trade receivables outstanding during the year.
- Net Capital Turnover Ratio decreased due to a significant increase in average working capital during the current year.
- Return on Investment increased due to the receipt of dividend income from the Company's subsidiary during the current year.

# Notes to Standalone Financial Statement for the year ended 31 March, 2026

# Independent Auditor's Report

To  
The members of TAJ GVK Hotels & Resorts Limited

## Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the accompanying Consolidated financial statements of TAJ GVK Hotels & Resorts Limited ("the Holding Company") and its Subsidiary company which is incorporated in India (the Holding Company and its Subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of report of other auditor on separate financial statements and on the other financial information of the subsidiary, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 ("the Act"), as amended, in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at 31st March, 2026, their Consolidated net profit (including the other comprehensive income), their Consolidated changes in equity and their Consolidated cash flows for the year then ended.

### Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

### **Information Other than the Consolidated Financial Statements and Auditor's Report there on**

The Company's Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Management Discussion and Analysis, Financial and Operational Review, Director's Report, Business Responsibility Report, Corporate Governance Report, Annual Report on CSR activities, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

The other information is expected to be made available to us after the date of this auditor's report. When we read such other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

### **Management's Responsibility for the Consolidated Financial Statements**

The Holding Company's Board of Directors are responsible for the preparation of these consolidated financial statements in the terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management and the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its said Subsidiary have an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on

the ability of the Group to continue the going concern assumption in preparing these Consolidated Financial Statements. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Holding Company, of which we are the independent auditors. The financial statements of the subsidiary included in the consolidated financial statements have been audited by another auditor, who remains responsible for the direction, supervision and performance of the audit carried out by them. Our responsibility is to express an opinion on the consolidated financial statements based on our audit and the report of the other auditor. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matter

The consolidated financial statements include the Holding Company's share of profit of Rs. 2,185.69 Lakhs, recognised under the equity method in respect of Green Woods Palaces and Resorts Private Limited for the period from 1 April 2025 to 9 February 2026. Green Woods Palaces and Resorts Private Limited became a subsidiary of the Holding Company with effect from 10 February 2026.

Further the financial statements of the subsidiary, whose financial statements reflect total assets (before consolidation adjustments) of Rs. 22,038.74 Lakhs as at March 31, 2026, total revenues (before consolidation adjustments) of Rs. 3515.87 Lakhs and net cash outflows (before consolidation adjustments) amounting to Rs.1,090.33 Lakhs for the year ended on that date, as considered in the consolidated financial statements.

The financial statements of the said entity included in the consolidated financial statements have been audited by other auditor whose report have been furnished to us by the Management, and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the said entity, is based solely on the report of the other auditor.

### Report on Other Legal and Regulatory Requirements

1. (A) As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary, referred in the 'Other Matters' paragraph, we report, to the extent applicable, that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
  - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors except for the matters stated in the paragraph 2B(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
  - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with relevant rules made thereunder;
- e) On the basis of the written representations received from the Directors of the Holding Company as on 31st March, 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India are disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary Company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements of those companies, for reasons stated therein.
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements and the other financial information of subsidiary, as noted in the 'Other matter' paragraph::
- i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 30 and 31 to the financial statements.
  - ii. the Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company for the year ended 31st March, 2026.
  - iv. (a) the respective managements of the Company and its Subsidiary which is incorporated in India, whose financial statements have been audited under the Act, have represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) the respective management of the Company and its Subsidiary which is incorporated in India, whose financial statements have been audited under the Act, have represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and its Subsidiary which is incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material mis-statement.
  - v. The final dividend paid by the Company during the year in respect of the dividend declared for the previous financial year 2024-2025 is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.
- As stated in note 33 to the financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vi. Based on our examination, which included test checks, and that performed by the statutory auditor of the subsidiary company incorporated in India whose financial statements have been audited under the Act, except for data changes performed by users having privileged access till 26 June 2025 and as explained in Note 44 to the consolidated financial statements, the Holding Company and its subsidiary company have used accounting software for maintaining their respective books of account, which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the software.
- Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of the audit trail feature being tampered with. Additionally, other than periods where audit trail (edit log)

facility was not enabled in the previous years, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

(C) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, and based on the report of the statutory auditor of the subsidiary company, the remuneration paid during the current year by the Holding Company and its subsidiary company to their respective directors is in accordance with the provisions of Section 197 of the Act.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiary included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

# Annexure “A”

## to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of TAJ GVK Hotels & Resorts Limited of even date)

### **Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls with reference to Consolidated Financial Statements of **TAJ GVK Hotels & Resorts Limited** (“the Company”) and its subsidiary company which is incorporated in India as of 31st March, 2026 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The respective Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to Consolidated financial statements criteria established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to the consolidated financial statements based on our audit of the Holding Company and on the report of the statutory auditor of the subsidiary company. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the consolidated financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the evidence obtained by other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to Consolidated Financial Statements of the Company.

### **Meaning of Internal Financial Controls with reference to Consolidated Financial Statements**

A company’s internal financial controls with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

### **Limitations of Internal Financial Controls with reference to Consolidated Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference

to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, and based on the report of the statutory auditor of the subsidiary company incorporated in India, the Holding Company and its subsidiary company have, in all material respects, an adequate internal financial controls system with reference to the consolidated financial statements and such internal financial controls with reference to the consolidated financial statements were operating effectively as at 31st March, 2026, based on the criteria for internal financial controls with reference to the consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Other Matters**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to the consolidated financial statements, insofar as it relates to the subsidiary company, is based on the report of the statutory auditor of the subsidiary company.

# Notes to Consolidated Financial Statement for the year ended 31 March, 2026

## 1. General information

TAJ GVK Hotels & Resorts Limited ("the Company" or "Parent Company") is a public company domiciled on 2nd February 1995 in the erstwhile State of Andhra Pradesh, India and incorporated under the provisions of the Companies Act. The Company has its registered office in Hyderabad, Telangana. The Company is primarily engaged in the business of owning, operating and managing hotels, palaces and resorts under the "Taj" brand.

The Consolidated Financial Statements comprise the financial statements of the Company and its subsidiary, Green Woods Palaces and Resorts Private Limited (collectively referred to as "the Group").

Green Woods Palaces and Resorts Private Limited which operates Taj Santacruz, Mumbai became a subsidiary of the Company with effect from 10th February 2026 upon the Company acquiring control through an increase in its shareholding from 48.99% to 51.00%.

The equity shares of the Company are listed on BSE Limited and National Stock Exchange of India Limited (NSE).

These Consolidated financial statements were authorized for issue by a resolution of the Board of Directors passed on May 28, 2026.

## 2. Basis of Preparation, Principles of Consolidation, Critical Accounting Estimates and Judgements, Material Accounting Policies, and Recent Accounting Pronouncements

### i. Statement of compliance:

These Consolidated financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and other provisions of the Companies Act, 2013 as amended from time to time. The accounting policies as set out below have been applied consistently to all years presented in these Consolidated financial statements.

### ii. Basis of preparation of Consolidated financial statements:

These Consolidated financial statements have been prepared under the historical cost convention except certain financial instruments measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. The Group follows accrual method of accounting.

The Financial Statements are presented in Indian Rupees Lakhs, and all values are rounded off to the nearest two decimals, except when otherwise stated.

### iii. Classification of Assets and Liabilities into current and Non-current

The Group presents its assets and liabilities in the Balance Sheet based on current/non-current classification;

#### An asset is treated as current when it is:

Expected to be realized or intended to be sold or consumed in the normal operating cycle; or

Held primarily for the purpose of trading; or

Expected to be realized within twelve months after the reporting period; or

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

#### A liability is treated as current when it is:

Expected to be settled in the normal operating cycle;

Held primarily for the purpose of trading;

Expected to be settled within twelve months after the reporting period; or

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current

The operating cycle is the time between the acquisition of assets and their realization in cash and cash equivalents. Based on the services rendered and their realizations in cash and cash equivalents, the Group has ascertained its operating cycle is 12 months for the purpose of current and non-current classification of assets and liabilities.

### iv. Principles of Consolidation

#### a. Preparation of Consolidated Financial Statements

The Consolidated Financial Statements comprise the financial statements of TAJ GVK Hotels and Resorts Limited (hereinafter referred to as "the Company") and its subsidiary, Green Woods Palaces and Resorts Private Limited (hereinafter referred to

as “the Subsidiary”), collectively referred to as “the Group. During the year ended 31 March 2026, the Group comprised:

| Name of entity                                  | Country of incorporation | Shareholding as at 31 March 2026            | Shareholding as at 31 March 2025 |
|-------------------------------------------------|--------------------------|---------------------------------------------|----------------------------------|
| Green Woods Palaces and Resorts Private Limited | India                    | 51.00% (Subsidiary w.e.f. 10 February 2026) | 48.99% (Joint Venture)           |

During the year, the Company acquired an additional 2.01% equity interest in Green Woods Palaces and Resorts Private Limited on 10th February 2026, increasing its shareholding from 48.99% to 51.00% and thereby obtaining control. Accordingly, Green Woods Palaces and Resorts Private Limited, which was hitherto classified as a Joint Venture and accounted for under the equity method, became a Subsidiary of the Company from that date and has been consolidated on a line-by-line basis with effect from 10th February 2026. The details of this transition are set out in Note 49.

#### **b. Subsidiary:**

A subsidiary is an entity (including a structured entity) over which the Company has control. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity.

A subsidiary is consolidated from the date on which control is obtained by the Company and continues to be consolidated until the date on which such control ceases. The consolidated financial statements comprise the financial statements of the Company and its subsidiary (collectively referred to as “the Group”). The Group combines the financial statements of the parent and its subsidiary on a line-by-line basis by adding together like items of assets, liabilities, equity, income and expenses. Intra-group balances, transactions, income and expenses and unrealised gains arising from intra-group transactions are eliminated in full. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. The accounting policies of the subsidiary are aligned, where necessary, to ensure consistency with the accounting policies adopted by the Group.

Non-controlling interests are presented separately in the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Changes in Equity.

During the current year, the Company obtained control over Green Woods Palaces and Resorts Private Limited on 10th February 2026. Accordingly, the financial statements of the subsidiary have been consolidated prospectively from that date. Prior to obtaining control, the investment was accounted for as a joint venture using the equity method, as described in Section (c) below.

#### **c. Joint Venture (applicable up to 9 February 2026)**

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

The Group’s investments in joint ventures are accounted for using the equity method in accordance with Ind AS 28 Investments in Associates and Joint Ventures. Under the equity method, the investment is initially recognised at cost and is subsequently adjusted to recognise the Group’s share of the post-acquisition profits or losses and other comprehensive income of the joint venture. The carrying amount of the investment is adjusted for distributions received from the joint venture. Goodwill relating to the joint venture is included in the carrying amount of the investment and is not tested separately for impairment.

On transition to Ind AS, the Group elected to continue with the previous GAAP carrying amount of its investment in the joint venture as its deemed cost at the date of transition in accordance with the exemption available under Ind AS 101 First-time Adoption of Indian Accounting Standards.

The Consolidated Statement of Profit and Loss includes the Group’s share of the results of the joint venture and the Consolidated Statement of Other Comprehensive Income includes the Group’s share of the other comprehensive income of the joint venture. Unrealised gains and losses resulting from transactions between the Group and its joint venture are eliminated to the extent of the Group’s interest in the joint venture.

During the year, the Company obtained control over its erstwhile joint venture, Green Woods Palaces and Resorts Private Limited, resulting in a business combination achieved in stages. The accounting treatment of this transaction is described in Note 50 to these Consolidated Financial Statements.

#### **d. Goodwill**

Goodwill represents the excess of the aggregate of the consideration transferred, the amount of non-controlling interest and, in a business combination achieved in stages, the fair value of the previously held equity interest, over the fair value of the identifiable net assets acquired at the acquisition date.

## Notes to Consolidated Financial Statement for the year ended 31 March, 2026

Goodwill arising on the acquisition of a subsidiary is recognised as a separate asset in the Consolidated Balance Sheet. Goodwill is not amortised but is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it may be impaired, in accordance with Ind AS 36 Impairment of Assets.

Goodwill is considered to have an indefinite useful life and is carried at cost less accumulated impairment losses, if any. Impairment losses relating to goodwill are recognised in the Consolidated Statement of Profit and Loss and are not reversed in subsequent periods.

### V. Significant accounting estimates, judgements and assumptions

The preparation of the Group's Consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the Consolidated financial statements were prepared. Actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

In the process of applying the Group's accounting policies, management has made the following Judgements, estimates and assumptions which have significant effect on the amounts recognised in the Consolidated financial statements:

#### Useful Lives of Property, Plant and Equipment and Intangible Assets:

The Group has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Group reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

#### Impairment Testing:

Property, plant and equipment, Right-of-Use assets and intangible assets that are subject to depreciation/ amortisation are tested for impairment periodically including when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

#### Income Taxes:

Deferred tax assets are recognised to the extent that it is regarded as probable that deductible temporary differences can be realised. The Group estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit and Loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case laws and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore, the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit and Loss.

#### Defined Benefit Plans:

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates.

#### Allowance for uncollectible trade receivables

Trade receivables do not carry interest and are stated at their transaction price, net of allowances for expected credit

losses. The Group applies the simplified approach prescribed under Ind AS 109 for measuring expected credit losses on trade receivables and recognises lifetime expected credit losses from the date of initial recognition of the receivables.

At each reporting date, the Group assesses the expected credit losses on trade receivables based on historical credit loss experience, ageing of receivables, customer-specific factors, current economic conditions and forward-looking information.

The Group individually assesses trade receivables from significant customers and customers with identified credit risk based on their financial position, payment history and other relevant information. Where such assessment indicates that no expected credit loss exists due to the customer's strong credit quality and demonstrated payment behaviour, no impairment allowance is recognised. For the remaining trade receivables, the Group estimates expected credit losses using appropriate provisioning rates based on historical loss experience, adjusted for current and forward-looking information.

Trade receivables are written off when there is no reasonable expectation of recovery. Subsequent recoveries of amounts previously written off are recognised in the Consolidated Statement of Profit and Loss.

**Provisions and Contingency:** The Group has assessed the probable unfavourable outcomes and creates provisions where necessary. Where these are assessed as not probable or where they are probable upon a contingency, they are disclosed as contingent liability.

## **v. Material Accounting Policies information**

### **a) Revenue Recognition:**

Revenue is recognised at an amount that reflects the consideration to which the Group expects to be entitled in exchange for transferring the promised goods or services to a customer i.e. on transfer of control of the goods or service to the customer. Revenue from sales of goods or rendering of services is net of Indirect taxes, returns and variable consideration on account of discounts and schemes offered by the Group as part of the contract.

#### **Income from Operations**

Revenue is recognised at the transaction price that is allocated to the performance obligation.

#### **Rooms, Food and Beverage & Banquets:**

Revenue includes

- Room revenue which is recognised on a day-to-day basis once the rooms are occupied
- Food and beverages revenue is recognised on sale
- Banquet services revenue is recognised on provision of services as per the contract with the customer

#### **Other Allied Services:**

In relation to laundry income, communication income, health club income, airport transfers income and other allied services, the revenue has been recognised by reference to the time of service rendered.

#### **Space and Shop Rentals:**

Rentals basically consists of rental revenue earned from letting of spaces for retails and office at the properties. These contracts for rentals are generally of short term in nature. Revenue is recognised in the period in which services are being rendered.

#### **Membership Fees:**

Membership fee income majorly consists of membership fees received from the Chamber membership fees. In respect of performance obligations satisfied over a period of time, revenue is recognised at the allocated transaction price on a time-proportion basis.

#### **Contract Balances**

##### **Contract Assets**

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

##### **Contract Liabilities**

A contract liability is the obligation to transfer services to a customer for which the Group has received consideration from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made. Contract liabilities are recognised as revenue when the Group performs under the contract(Refer Note No.22) for details on contract liabilities recognised by the Group).

### **b) Other income:**

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

# Notes to Consolidated Financial Statement for the year ended 31 March, 2026

## c) Inventories:

Inventories comprise mainly stock of food and beverages, stores and operating supplies that are carried at the lower of cost (computed on a Weighted Average basis) or net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and selling expenses.

Cost includes the purchase price less trade discounts and rebates if any, including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase.

## d) Property Plant and equipment:

Property Plant and equipment are stated at cost, net of credit availed in respect of any taxes, duties less accumulated depreciation. Property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably.

All property, plant and equipment are initially recorded at cost. Cost includes the acquisition cost or the cost of construction, including duties and non-refundable taxes, expenses directly related to bringing the asset to the location and condition necessary for making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs. Expenditure directly relating to construction/erection activity is capitalized. Indirect expenditure incurred during construction period is capitalized as part of the construction cost to the extent such expenditure is related to construction or is incidental thereto.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Group and the cost of the item can be measured reliably.

## Depreciation and Amortization:

Depreciation is charged to the Statement of Profit and Loss so as to expense the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method, as per the useful life prescribed in part "C" of Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets had been re-assessed as under based on technical evaluation, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support, etc.

| Class of Asset                            | Estimated Useful Life |
|-------------------------------------------|-----------------------|
| Plant and machinery                       | 10 to 20 years        |
| Electrical installations and equipment    | 20 years              |
| Hotel Wooden Furniture                    | 15 years              |
| Non-wooden furniture & fittings           | 8 years               |
| End User devices- Computers, Laptops, etc | 6 years               |

In respect of buildings on leasehold land, depreciation is based on the tenure which is lower of the life of the buildings or the expected lease period. Improvements to owned/ leased buildings are depreciated based on their estimated useful lives/ expected lease period.

The assets' estimated useful lives, residual values and depreciation method are reviewed at the Balance Sheet date and the effect of any changes in estimates are accounted for on a prospective basis.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss. Proportionate depreciation is charged for the addition and disposal of an item of property, plant and equipment made during the year.

In the transition to Ind-AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognized as of April 1, 2015 (transition date ) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Capital work in progress represents projects under which the property, plant and equipment are not yet ready for their intended use and are carried at cost determined as aforesaid. Direct expenditure during construction period attributable to the cost of assets under construction is considered as capital work in progress and indirect expenditure is included under expenditure during construction period pending allocation.

## e) Intangible assets:

Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use and are carried at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets are carried at cost, net of credit availed in respect of any taxes and duties, less accumulated amortization. Computer software is classified under “Intangible Assets”.

Intangible assets with finite useful lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization periods are reviewed and impairment evaluations are carried out once a year.

The rates currently used for amortizing intangible assets are as under:

| Class of Asset                 | Estimated Useful Life |
|--------------------------------|-----------------------|
| Computer Software and Licences | 6 –10 years           |

**Leasehold Rights** – Amortisation: Stamp duty incurred for acquiring leasehold rights over land is recognised as part of the cost of the leasehold rights and is amortised on a straight-line basis over the initial non-cancellable lease term of 20 years. The amortisation is recognised in the Statement of Profit and Loss.

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected to arise from the continued use of the asset. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in the Statement of Profit and Loss when the asset is derecognised

In the transition to Ind-AS, the Group has elected to continue with the carrying value of all of its intangible assets recognized as of April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

#### **f) Leases:**

Effective April 1, 2019 the Group has applied Ind AS 116 which replaced Ind AS 17 Leases.

##### **Lessee:**

On inception of a contract, the Group (as a lessee) assesses whether it contains a lease. A contract is, or contains a lease when it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset. The right to use the asset and the obligation under the lease to make payments are recognised in the Group's statement of financial position as a right-of-use asset and a lease liability.

##### **Right-of-Use Assets**

The right-of-use asset recognised at lease commencement includes the amount of lease liability recognised, initial direct costs incurred, and lease payments made at or before the commencement date, less any lease incentives received. Right-of-use assets are depreciated over the shorter of the asset's estimated useful life and the lease term. Right-of-use assets are also adjusted for any re-measurement of lease liabilities and are subject to impairment testing. Residual value is reassessed annually

At the date of commencement of the lease, the Group recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for initial direct costs incurred, lease payments made at or before the commencement date, any asset restoration obligation, and less any lease incentives received. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are also adjusted for any re-measurement of lease liabilities. Unless the Group is reasonably certain to obtain ownership of the leased assets or renewal of the leases at the end of the lease term, recognised right-of-use assets are depreciated to a residual value over the shorter of their estimated useful life or lease term.

##### **Lease Liabilities**

The lease liability is initially measured at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments and variable lease payments that depend on an index or a rate, less any lease incentives receivable. In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

The lease term includes periods subject to extension options which the Group is reasonably certain to exercise and excludes the effect of early termination options where the Group is not reasonably certain that it will exercise the option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments are presented as amortisation of ROU assets along with depreciation and interest on lease liability along with finance cost.

## Notes to Consolidated Financial Statement for the year ended 31 March, 2026

Leases where the lease rental is contingent upon revenue, do not fall under the above definition. The assets under lease are not recognised in the Group's books in such case and lease rental paid to the lessor is accounted in books of account as expenditure.

**Short-term and low-value leases:** The Group applies the practical expedient available under Ind AS 116 and does not apply the lease accounting model to leases with a lease term of 12 months or less and leases of low-value assets. Costs associated with such leases are recognised as an expense on a straight-line basis over the lease term.

**Lessor:**

Rental income from operating lease is recognised on a straight line basis over the lease term unless payments to the Group are structured to increase in line with expected general inflation to compensate for the Group's expected inflationary cost increase. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. No change in recognition or disclosure is made to lease rentals earned by the Group in the capacity as a lessor, pursuant to adoption of Ind AS 116.

**g) Impairment of Assets**

Assets that are subject to amortisation are reviewed for impairment periodically including whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. Where the asset does not generate cash flows that are independent from other assets, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss. When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss to the extent that it eliminates the impairment loss which has been recognised for the asset in prior years.

**h) Foreign Currency Translation:**

The Group's financial statements are presented in Indian Rupee (INR), which is also the Group's functional currency.

**Initial recognition:** Transactions in foreign currencies are initially recorded at the exchange rates (INR spot rate) prevailing on the date of the transaction.

**Subsequent Recognition:**

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Income and expenses in foreign currencies are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and exchange gains and losses arising on settlement and restatement are recognised in the Statement of Profit and Loss.

**i) Employee Benefits :**

**Short term Employee Benefits**

Short term employee benefits are expensed as the related services are provided. A liability is recognised for the amount expected to be paid if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**Post-Employment Benefits:**

**Defined Contribution Plans**

A defined contribution plan is a post employment benefit plan under which the Group pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

**a) Provident Fund**

The eligible employees of the Group are entitled to receive post-retirement benefits in respect of provident fund a defined contribution plan, in which both employees and the Group make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' eligible salary). The contributions are made to the provident fund to the Regional Provident Fund Commissioner (RPFC), which are charged to the Statement of Profit and Loss as incurred.

**b) Superannuation**

The Group has a defined contribution plan for eligible employees, wherein it annually contributes a sum equivalent to a defined percentage of the eligible employee's annual basic salary to a fund administered by the LIC. The Group recognises such contributions as an expense in the year in which the corresponding services are received from the employees.

**Defined Benefit Plans**

The Group operates various defined benefit plans, which requires contributions to be made to a separately administered fund.

**Gratuity:**

Gratuity to employees is covered under Group Gratuity Life Assurance Scheme. At the reporting date, Company's liability towards gratuity is determined by independent actuarial valuation using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

The obligation determined as aforesaid less the fair value of the plan assets is reported as a liability or asset as of the reporting date.

Past service costs are recognised in statement of profit and loss on the earlier of the date of the plan amendment or curtailment and the date that the Group recognizes related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Group recognizes the following changes in the net defined benefit obligation as an expense in its statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income

Remeasurement, comprising actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit (net of taxes) to retained earnings through OCI in the period in which they occur. Remeasurement is not reclassified to statement of profit and loss in subsequent periods.

**Other Long-term Employee Benefits-Compensated Absences**

The Group provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/ availment. The Group makes provision for compensated absences based on an independent external actuarial valuation carried out at the end of the year.

**j) Borrowing Costs:**

General and specific borrowing costs directly attributable to the acquisition, construction of qualifying assets, which take a substantial period of time to get ready for their intended use, is initially carried under expenditure incurred during the construction period and the borrowing cost till the assets are substantially ready for their intended use is added to the cost of those assets.

Borrowing costs that are not directly attributable to a qualifying asset are recognised in the Statement of Profit and Loss using the effective interest rate method in the period in which they are incurred.

**k) Taxes on income:**

Income tax expense comprises of current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity, respectively.

**Current tax**

Current Tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the Income Tax Act, 1961 rates at the end of the reporting period.

## Notes to Consolidated Financial Statement for the year ended 31 March, 2026

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

### **Deferred Tax:**

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

Deferred tax liabilities are generally recognized for all taxable temporary differences. The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax liabilities and assets are measured at tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off deferred tax assets against deferred tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its deferred tax assets and liabilities on a net basis.

Current and deferred tax are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

### **l) Earnings per share:**

- a. Basic earnings per share:** Basic earnings per share is calculated by dividing the net profit or loss for the year after tax attributable to equity shareholders by weighted average number of equity shares outstanding during the period.
- b. Diluted earnings per share:** Diluted earnings per share is calculated by dividing the net profit or loss for the year after tax attributable to equity shareholders by the weighted average number of equity shares outstanding including equity shares which would have been issued on the conversion of all dilutive potential equity shares unless they are considered anti-dilutive in nature.

### **m) Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Group has a binding present obligation. This may be either legal because it derives from a contract, legislation or other operation of law, or constructive because the Group created valid expectations on the part of third parties by accepting certain responsibilities. To record such an obligation it must be probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made for the amount of the obligation. The amount recognised as a provision and the indicated time range of the outflow of economic benefits are the best estimate (most probable outcome) of the expenditure required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. Non-Current provisions are discounted if the impact is material.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

Provisions, contingent assets and contingent liabilities are reviewed at each reporting period.

### **n) Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the Statement of Cash Flows, cash and cash equivalents include cash on hand, balances with banks, and short-term fixed deposits with a maturity period of 3 months or less.

## **o) Investments**

### **Joint Ventures**

A joint venture is an arrangement whereby the Group has joint control of the arrangement and has rights to the net assets of the arrangement.

Investments in joint ventures are accounted for using the equity method in accordance with Ind AS 28, Investments in Associates and Joint Ventures. Under the equity method, the investment is initially recognised at cost and subsequently adjusted to recognise the Group's share of the post-acquisition profits or losses and other comprehensive income of the joint venture. Distributions received from the joint venture reduce the carrying amount of the investment.

The Group's share of profit or loss of a joint venture is recognised in the Consolidated Statement of Profit and Loss. Where the Group ceases to have joint control and obtains control over an investee, the previously held interest is remeasured at fair value on the acquisition date and the resulting gain or loss is recognised in the Consolidated Statement of Profit and Loss in accordance with Ind AS 103.

### **Subsidiaries**

Subsidiaries are entities controlled by the Group. Control exists when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. The financial statements of subsidiaries are included in the Consolidated Financial Statements from the date on which control is obtained until the date on which control ceases.

All intra-group balances, transactions, income, expenses and unrealised gains and losses arising from intra-group transactions are eliminated in full on consolidation. Non-controlling interests are presented separately in equity and their share of profit or loss and other comprehensive income is separately disclosed in the Consolidated Statement of Profit and Loss.

### **Other investments**

Any investments other than the above and to be held beyond 12 months, are classified as Non-Current Investments. All other investments for a period less than 12 months are classified as Current Investments.

### **Transition to Ind-AS:**

On transition to Ind AS, the Group has elected to continue with the carrying value of all its Investment in joint ventures and other investments recognised as at 1 April 2015 measured as per previous GAAP.

### **Impairment:**

The Group reviews its carrying value of investments carried at cost or amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

## **p) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **Financial Assets**

#### **Initial recognition and measurement:**

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial assets at initial recognition.

All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, in the case of financial assets not recorded at fair value through Statement of profit and loss except investments in Joint Venture and other equity investment, which is a statutory obligation, are recognized at cost. However, trade receivables that do not contain a significant financing component are measured at transaction price.

### **Classification**

Cash and Cash Equivalents – Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), and which are subject to insignificant risk of changes in value.

### **Subsequent measurement:**

#### **Financial Assets at Amortised Cost**

Other financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold such assets for collection of contractual cash flows and the contractual terms of the financial assets give rise, on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### **De-recognition:**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised

## Notes to Consolidated Financial Statement for the year ended 31 March, 2026

when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset, or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement and either:

- (a) the Group has transferred substantially all the risks and rewards of ownership of the asset, or
- (b) the Group has neither transferred nor retained substantially all the risks and rewards of ownership of the asset but has transferred control of the asset.

### **Impairment of Financial Assets**

The Group assesses, at each reporting date, whether a financial asset or a group of financial assets is impaired. Ind AS 109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance. For trade receivables only, the Group recognises expected lifetime losses using the simplified approach permitted by Ind AS 109, from initial recognition of the receivables. As a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates

For other financial assets (not being equity instruments or debt instruments measured subsequently at FVTPL) the expected credit losses are measured at the 12 month expected credit losses or an amount equal to the lifetime expected credit losses if there has been a significant increase in credit risk since initial recognition.

### **Financial liabilities**

#### **Initial recognition and measurement:**

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, or as loans and borrowings and payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

#### **Subsequent measurement:**

The measurement of financial liabilities depends on their classification, as described below:

#### **Financial liabilities at fair value through profit or loss.**

##### **Loans and borrowings**

Interest-bearing borrowings from banks are initially recognized at fair value, net of transaction costs incurred. After initial recognition, Interest-bearing borrowings from banks are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the borrowings are derecognized, as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

#### **Derecognition :**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss

### **q) Recent Accounting Pronouncements**

#### **New and amended standards reviewed by the Group**

##### **Ind AS 1 – Presentation of Financial Statements**

The amendments to Ind AS 1 provide guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. This amendment does not have any material impact on the Group's financial statements and disclosures.

**Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors**

The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates.

**Ind AS 12 – Income Taxes**

The amendments to Ind AS 12 Income Taxes narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities.

The above amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

**Ind AS 21 – The Effects of Changes in Foreign Exchange Rates:**

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21 – The Effects of Changes in Foreign Exchange Rates, applicable for annual periods beginning on or after April 1, 2025. The amendment introduces a new framework for assessing whether a currency is exchangeable into another currency and provides guidance when exchangeability is lacking. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its Consolidated financial statements.

**In August 2025, the MCA notified the following amendments:**

**Ind AS 1 – Presentation of Consolidated financial statements (applicable w.e.f. April 1, 2025)** The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. Based on the group's assessment, the Group has no impact of these amendments in its classification criteria of current and non-current liabilities.

**Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (applicable w.e.f. April 1, 2025)**

The amendment in Ind AS 7 requires to inform users of Consolidated financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Group has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its Consolidated financial statements.

**New Standards/Amendments notified but not yet effective:**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2026, MCA has not notified any other new standards or amendments to the existing standards applicable to the Group.

5.1 The Company has recognized Right of Use (ROU) assets in respect of leased land for its hotel properties as follows:

The hotel property at Chandigarh is constructed on land leased for 99 years.

The hotel property at Begumpet is situated on land leased for 60 years, with an option to extend the lease by an additional 30 years.

Land adjacent to the Taj Club House hotel, used for vehicle parking, is leased for a period of 30 years.

5.2 Variable lease payments arise under certain hotel leases where the Company is committed to making additional payments contingent on the performance of the hotels. These variable payments are not included in the initial measurement of the Right of Use assets but are recognized as expenses in the period in which they are incurred.

5.3 Taj Santacruz Hotel, Mumbai is on land and superstructure taken on lease for 20 years from Mumbai International Airport Limited. The term may be extended for further period of 30 years on same terms and conditions, subject to terms and conditions of Operation, Maintenance and Development Agreement (OMDA) between Mumbai International Airport Limited and Airports Authority of India.

# Notes to Consolidated Financial Statement for the year ended 31 March, 2026

(All amounts are Rs. in Lakhs, otherwise stated)

Contract liabilities primarily represent advance consideration received from customers in respect of services to be rendered. Revenue is recognized when the Company satisfies the related performance obligations by transferring control of the promised services to the customers.

Advance collections are recognised when payment is received before the related performance obligation is satisfied. These include advances received from customers towards rooms, restaurants and banquet services. Revenue is recognised upon satisfaction of the related performance obligation, i.e., on room occupancy, sale of food and beverages, or provision of banquet services.

#### Defined benefit plan:

##### Gratuity:

The Group operates a funded gratuity scheme for its employees. Under the scheme, employees are entitled to gratuity benefits upon retirement, resignation, death or disablement, in accordance with the provisions of the Payment of Gratuity Act, 1972.

The gratuity plan is a defined benefit plan. The Group's obligation in respect of the gratuity plan is determined on the basis of an actuarial valuation carried out by an independent actuary using the Projected Unit Credit Method at each reporting date.

During the previous year, the actuarial valuation of gratuity obligations was carried out considering the implementation of applicable labour law changes and the revised gratuity benefit limits under the relevant provisions of the Payment of Gratuity Act, 1972. The impact of such changes, wherever applicable, has been considered in measuring the defined benefit obligation and recognised in the Consolidated financial statements in accordance with Ind AS 19 – Employee Benefits.

The following tables summarize the components of net expense recognised in the Statement of Profit and Loss and amounts recognised in the Balance Sheet for the respective employee gratuity plans.

## Sensitivity Analysis:

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to the discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

|                                                             | Period Ended 31-Marh-26 |                        |
|-------------------------------------------------------------|-------------------------|------------------------|
|                                                             | Discount Rate           | Salary Escalation Rate |
| Defined benefit Obligation on increase in 50 bps (Rs.lakhs) | 1154.14                 | 1225.86                |
| Impact of increase in 50 bps on DBO (%)                     | (2.88%)                 | 3.15%                  |
| Defined benefit Obligation on decrease in 50 bps (Rs.lakhs) | 1225.25                 | 1153.29                |
| Impact of decrease in 50 bps on DBO (%)                     | 3.10%                   | (2.96%)                |

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analysis.

**Projected plan cash flow:**

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date:

| <b>Maturity Profile</b>                 | <b>(in Rupees)</b> |
|-----------------------------------------|--------------------|
| Expected benefits for year 1            | 447.51             |
| Expected benefits for year 2            | 59.82              |
| Expected benefits for year 3            | 79.61              |
| Expected benefits for year 4            | 72.63              |
| Expected benefits for year 5            | 96.70              |
| Expected benefits for year 6            | 55.79              |
| Expected benefits for year 7            | 58.51              |
| Expected benefits for year 8            | 103.82             |
| Expected benefits for year 9            | 78.40              |
| Expected benefits for year 10 and above | 1109.22            |

The weighted average duration to the payment of these cash flows is 5.98 years.

The weighted average duration until the payment of the subsidiary's cash flows is 8.52 years.

**Compensated Absences:**

The Company's liability towards un-funded leave encashment is determined by independent actuarial valuation using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

The Defined Benefit Obligation of compensated absence in respect of the employees of the Company as at 31 March 2026 works out to Rs. 479.10 Lakhs (2025: Rs. 424.75 Lakhs). The discount rate and salary escalation rate is the same as adopted for gratuity liability valuation.

The estimates of future salary increase (which has been set in consultation with the company) takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. The provision is presented as current and non-current based on the actuarial report obtained by the Company

# Notes to Consolidated Financial Statement for the year ended 31 March, 2026

(All amounts are Rs. in Lakhs, otherwise stated)

The Company has opted for the concessional tax regime under section 115BAA of the Income-tax Act, 1961. Accordingly, the income tax liability for the current financial year has been computed at the reduced corporate tax rate as prescribed under the said section.

Deferred tax assets and liabilities have been remeasured using the applicable tax rate under section 115BAA, and the resultant impact has been recognised in the Statement of Profit and Loss.

The Group reviews its income tax treatments in order to determine its impact on the Consolidated financial statements. As a practice, where the interpretation of income tax law is not clear, management relies on the some or all of the following factors to determine the probability of its acceptance by the tax authority:

- Strength of technical and judicial argument and clarity of the legislation;
- Past experience related to similar tax treatments in its own case;
- Legal and professional advice or case law related to other entities.

After analysing above factors for each of such uncertain tax treatments, where the Group expects that the probability to sustain its position on ultimate resolution of such uncertain tax treatment is remote, the Group ensures that such uncertain tax positions are adequately provided for in the Group's Consolidated financial statements.

**b. Reconciliation of the income tax provision to the amount computed by applying the statutory income tax rate to the profit before tax is summarized below:**

- 40.** On November 21, 2025, the Government of India notified the four Labour Codes – The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and the Occupational Safety, Health & Working Conditions Code, 2020 – consolidating 29 existing labour laws. The Ministry of Labour and Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Group has assessed the incremental impact of the changes on the basis of the best information available and arrived at an additional liability of Rs.422 lakhs which forms part of Employee Benefits Expenses for the year under review.

The Group continues to monitor the finalization of Central/ State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

- 41.** In the opinion of the Board of Directors of the Group, the current assets, loans and advances are expected to realize in the ordinary course of business approximately the value at which they are stated in accounts.

#### **42. Segmental Reporting:**

The Group's only business being hoteliering, disclosure of segment-wise information under Accounting Standard (AS) 108 "Segmental Information" notified by the Companies (Accounting Standards) Rules, 2006 (as amended) does not arise. There is no geographical segment to be reported since all the operations are undertaken in India.

- 43. Audit Trail :** The Group has conducted a greenfield implementation of SAP S/4HANA RISE and migrated from its legacy accounting system with effect from April 1, 2025. During the hypercare period, post go live, certain privileged users were granted access to transactional data to support and stabilise the application, including monitoring system integrations and accounting transactions. Such access was granted and used under Company's supervision and was progressively withdrawn by June 26, 2025 once system stability was achieved.

The feature of recording audit trail (edit log) facility has been activated in SAP S/4HANA RISE and has operated effectively throughout the year for all relevant transactions recorded in the software.

Additionally, the audit trail has been preserved by the Group as per the statutory requirements for record retention.

#### **44. Risk Management, Objectives and Policies:**

##### **Risks and Concerns**

**Economic Risks:** Hotel business in general is sensitive to fluctuations in the economy. The hotel sector may be unfavourably affected by changes in global and domestic economies, changes in local market conditions, excess room supply, reduced international or local demand for hotel rooms and associated services, competition in the industry, government policies and regulations, fluctuations in interest rates and foreign exchange rates and other natural and social factors. Since demand for hotels is affected by world economic growth, a global recession could lead to a downturn in the hotel industry.

**Socio-Political Risks:** The Hotel industry faces risk from volatile socio-political environment, internationally as well as within the country. India, being one of the fastest growing economies of the world in the recent past, continues to attract

investments. However, any adverse events such as political instability, conflict between nations, terrorist attacks or spread of any epidemic or security threats to any countries may affect the level of travel and business activity.

**Security Risks:** The Hotel industry demands peace at all times to flourish. The biggest villain in South East Asia has been terrorism supplemented by political instability. Subsequent to the Mumbai terror attacks in November 2008, the hotel industry has invested substantially on security and intelligence. The security concerns have been duly addressed instilling confidence in the customer by providing international standards of safety.

**Business interruption risk on account of unprecedented events like a pandemic:** A pandemic like the Covid-19 outbreak confronts the hospitality industry with an unprecedented challenge. It causes a severe downturn in all streams of business. With lockdowns and resultant travel and mobility restrictions, all corporate and leisure travel comes to a halt. With the fear of pandemic spread in enclosed spaces, stay-at-home orders, social distancing and community lockdowns, all restaurants and banquet business get severely affected with restaurants resorting to business from take-outs and banquet functions being conducted with limited attendance. Hygiene standards and pandemic protocols need to be strictly implemented to instill confidence into the customer and recover from any such incidence.

## Company-specific Risks

### Heavy Dependence on India

**Risk of wage inflation:** The hotel industry needs quality employees and with demand for the same improving across the industry, the Company feels that wage inflation would be a critical factor in determining costs for the Company. Thus, your Company will continue to focus on improving manpower efficiencies and creating a lean organization, while maximizing effectiveness in terms of customer service and satisfaction, which is an area of great importance for your Company.

**Foreign Exchange Risk:** Your Company may be impacted by the fluctuation of the Indian Rupee against other foreign currencies. To mitigate this risk the Company is operating on single currency billing in Indian Rupees.

**Project Implementation Risk:** Your Company may be impacted by delays in implementation of projects which would result in increasing project cost and loss of potential revenue. To mitigate this risk, the Company has in place an experienced project team supported by the leading external technical consultants and a dedicated project management company. The Company will endeavour to complete its projects on time at optimal cost so as to maximize the profitability.

## 45. Capital management

The Group's policy is to maintain strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of business.

The Group manages its Capital structure through a balanced mix of debt and equity. The Group's capital structure is influenced by the changes in the regulatory frameworks, government policies, available options of financing and impact of the same on liquidity position.

The Group includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The table below shows the Gearing ratio for FY 2025-26 and FY 2024-25.

## 48. Financial risk management objectives and policies

The Group is exposed to financial risk such as Market Risk (Interest Rate Risk, fluctuation in foreign exchange rates and price risk), credit risk and liquidity risk. The general risk management program of the Group focuses on the unpredictability of the financial markets and attempts to minimize their potential negative influence on the financial performance of the Group. The Group continuously reviews its risk exposures and takes measures to limit it to acceptable levels. The Board of Directors have the overall responsibility for the establishment and oversight of the Group's risk management framework.

### Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk i.e. interest rate risk, foreign currency risk and other price risk. Financial instruments of the Group affected by market risk include borrowings and deposits.

The sensitivity analysis in the following sections relate to the position as at 31 March 2026 and 31 March 2025.

The analysis exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities.

The following assumptions have been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2026 and 31 March 2025.

### Interest rate risk

The interest rate risk arises from long term borrowing of the Group with variable interest rates (Bank one-year MCLR plus spread). Although the spread is fixed, it is subject to change at fixed time interval or occurrence of specified event(s). Management monitors the movement in interest rate and, wherever possible, reacts to material movements in such rates by restructuring its financing arrangement.

### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates, with all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

|  | Increase / (decrease) in Interest Rate | Increase / (decrease) in profit before tax |
|--|----------------------------------------|--------------------------------------------|
|--|----------------------------------------|--------------------------------------------|

|                     |         |         |
|---------------------|---------|---------|
| As at 31 March 2026 | +50 bps | 32.02   |
| As at 31 March 2026 | -50 bps | Nil     |
| As at 31 March 2025 | +50 bps | (33.24) |
| As at 31 March 2025 | -50 bps | 33.24   |

#### Price risk

Price risk is the risk of fluctuations in the change in prices of equity Investments. The Group's investment in Subsidiary of the company is of strategic in nature rather than for trading purpose.

#### Credit risk

Credit risk is the risk arising from credit exposure to customers and the counterparty will default on its contractual obligations.

The Group has adopted a policy of only dealing with creditworthy customers/ corporates to minimise collection losses. Credit Control team assesses the credit quality of the customers, their financial position, past experience in payments and other relevant factors. Advance payments are obtained from customers in banquets, as a means of mitigating the risk of financial loss from defaults.

The carrying amount of trade and other receivables, advances to suppliers, cash and short-term deposits and interest receivable on deposits represents Group's maximum exposure to the credit risk. No other financial asset carry a significant exposure with respect to the credit risk. Deposits and cash balances are placed with Schedule Commercial banks.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are assessed for impairment collectively. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group also holds advances as security from customers to mitigate credit risk.

#### Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Group's treasury department in accordance with the Group's policy. Investments held by the Group are in the nature of investment in jointly controlled entity and also an investment in an alternate energy supply company as required under the respective State energy policy. Both the categories are unquoted non-trade equity.

#### Liquidity risk

Liquidity risk is the risk that the Group will have difficulty in raising the financial resources required to fulfil its commitments. Liquidity risk is held at low levels through effective cash flow management. Cash flow forecasting is performed internally by rolling forecasts of the Group's liquidity requirements to ensure that it has sufficient cash to meet operational requirements, to fund scheduled capex and debt repayments and to comply with the terms of financing documents.

The Group primarily uses short-term bank facilities in the nature of bank overdraft facility to fund its ongoing working capital requirements.

The table below summarises the maturity profile of the Group's financial liabilities based on contractual undiscounted payments.

## 49. Acquisition of Controlling Interest in Green Woods Palaces and Resorts Private Limited

### a. Background

Green Woods Palaces and Resorts Private Limited ("Greenwoods") owns and operates the Taj Santacruz Hotel at Mumbai.

# Notes to Consolidated Financial Statement for the year ended 31 March, 2026

(All amounts are Rs. in Lakhs, otherwise stated)

Prior to 10 February 2026, the Company held 48.99% of the equity share capital of Greenwoods. Pursuant to the Joint Venture Agreement entered into amongst the shareholders, the Company classified its investment as a Joint Venture in accordance with Ind AS 111 Joint Arrangements. The investment was accounted for using the equity method in accordance with Ind AS 28 Investments in Associates and Joint Ventures.

During the year, the Company on 10 February 2026, acquired 15,05,100 equity shares of Greenwoods at Rs.106.91 per share based on an independent valuation report obtained from a Registered Valuer, from Greenridge Hotels & Resorts LLP (representing an additional 2.01%) for an aggregate consideration of Rs.16,09,10,241, increasing its shareholding from 48.99% to 51.00%.

The acquisition resulted in the Company obtaining control over Greenwoods and has been accounted for as a business combination achieved in stages. Consequent upon the acquisition, Greenwoods became a subsidiary of the Company with effect from 10 February 2026.

## **b. Independent Valuation**

For the purpose of measuring the acquisition-date fair value of the previously held 48.99% equity interest, the Company obtained an independent valuation from a Registered Valuer. The valuation report is dated 21 January 2026 and determined the fair value of Greenwoods as at 31 December 2025.

The valuer adopted the Income Approach (Discounted Cash Flow Method) as the most appropriate valuation methodology, considering the nature of the business, future cash flow projections and the going concern assumption. The Market Approach and Asset Approach were evaluated but not adopted for the reasons set out in the valuation report.

Management evaluated whether any significant events occurred between the valuation date and the acquisition date that would materially affect the valuation and concluded that no adjustment to the valuation was necessary. Accordingly, the acquisition-date fair value was determined using the independent valuation together with management's assessment of events occurring up to the acquisition date.

The valuation report concluded an enterprise value based on the discounted cash flow methodology and indicated an equity value broadly consistent with the acquisition consideration of Rs.106.91 per share. The valuer also concluded that no separate control premium was warranted in the facts and circumstances of the transaction.

## **c. Acquisition Date**

For the purpose of Ind AS 103 and Ind AS 110, the acquisition date has been determined as 10 February 2026, being the date on which the Company obtained control over Greenwoods, after the approval of the Board of Directors in their meeting held on 9 February 2026, through completion of the acquisition of the additional equity interest and the consequential change in its rights. Accordingly, the accounting effects of obtaining control have been recognised prospectively from that date.

## **d. Transition from Joint Venture to Subsidiary**

Until 9 February 2026, Greenwoods was accounted for as a Joint Venture. Consequently:

- the Company's investment was recognised using the equity method;
- the Company's share of Greenwoods' profits was recognised under "Share of Profit of Joint Venture"; and
- dividends received reduced the carrying amount of the investment.

Upon obtaining control on 10 February 2026, Greenwoods ceased to be a Joint Venture and became a subsidiary. Accordingly:

- equity accounting was discontinued;
- the acquisition was accounted for as a business combination achieved in stages;
- Greenwoods has been consolidated on a line-by-line basis from the acquisition date; and
- Non-controlling Interest has been recognised in respect of the continuing 49.00% equity interest held by the other shareholders.

## **e. Business Combination Achieved in Stages**

The acquisition represents a business combination achieved in stages. Accordingly:

- the Company's previously held 48.99% equity interest was remeasured to its acquisition-date fair value;
- the difference between the carrying amount of the investment and its acquisition-date fair value has been recognised in the Consolidated Statement of Profit and Loss;
- the acquisition-date fair values of the identifiable assets acquired and liabilities assumed have been recognised;
- goodwill has been recognised as the residual amount after allocation of the purchase consideration; and
- Non-controlling Interest has been recognised in accordance with the Company's accounting policy for business combinations.

## **f. Purchase Consideration**

The purchase consideration for the business combination achieved in stages comprises:

| Particulars                                                 | Amount           |
|-------------------------------------------------------------|------------------|
| Fair value of previously held 48.99% equity interest (A)    | 39,289.42        |
| Cash consideration for additional 2.01% equity interest (B) | 1,609.10         |
| <b>Total deemed consideration (A + B)</b>                   | <b>40,898.52</b> |

The previously held 48.99% equity interest has been remeasured at its acquisition-date fair value of Rs.39,289.42 lakhs. The resulting gain of Rs.28,264.42 lakhs (being the difference between the fair value of Rs.39,289.42 lakhs and the carrying amount of the investment of Rs.11,025.00 lakhs as at the acquisition date) has been recognised in the Consolidated Statement of Profit and Loss.

**g. Gain on Remeasurement of Previously Held Interest – Exceptional Item**

| Particulars                                                                   | Amount    |
|-------------------------------------------------------------------------------|-----------|
| Fair value of previously held 48.99% equity interest                          | 39,289.42 |
| Less: Carrying amount of investment in Joint Venture                          | 11,025.00 |
| Gain on remeasurement recognised in Consolidated Statement of Profit and Loss | 28,264.42 |

**h. Recognition and Computation of Goodwill**

| Particulars                                                     | Amount           |
|-----------------------------------------------------------------|------------------|
| Total deemed consideration                                      | 40,898.52        |
| Add: Non-controlling Interest recognised at fair value (49.00%) | 39,294.66        |
| <b>Total</b>                                                    | <b>80,193.18</b> |
| Less: Fair value of identifiable net assets acquired            | 12,634.10        |
| Goodwill recognised on consolidation                            | 67,559.08        |

**i. Non-controlling Interest**

Following the acquisition, the remaining 49.00% equity interest held by the other shareholders has been recognised as Non-controlling Interest in the Consolidated Financial Statements.

In accordance with IndAS 103, the Non-controlling Interest at the acquisition date has been measured at fair value, representing 49.00% of the enterprise value of Greenwoods as at the acquisition date.

**Movement in Non-controlling Interest**

| Particulars                                                                                                                      | Amount           |
|----------------------------------------------------------------------------------------------------------------------------------|------------------|
| Non-controlling Interest recognised at acquisition date (49.00% of enterprise value)                                             | 39,294.66        |
| Add: Share of profit and other comprehensive income attributable to Non-controlling Interest (10 February 2026 to 31 March 2026) | 216.99           |
| Less: Dividends                                                                                                                  | –                |
| <b>Closing Non-controlling Interest as at 31 March 2026</b>                                                                      | <b>39,511.65</b> |

The share of profit and other comprehensive income attributable to Non-controlling Interest represents the proportionate share of the post-acquisition results of Greenwoods recognised in the Consolidated Financial Statements for the period from 10 February 2026 to 31 March 2026.

## \*Explanations to variance in Ratios:

- Debt–Equity Ratio is not comparable with the previous year as there were no outstanding borrowings in the previous year. The ratio for the current year is 0.05 times due to borrowings availed during the year.
- Debt Service Coverage Ratio improved due to lower debt servicing obligations during the current year following the repayment of borrowings in the previous year.
- Return on Equity increased primarily due to higher profit after tax during the current year, which outweighed the increase in average shareholders' equity.
- Trade receivable turnover ratio decreased due to increase in average trade receivables outstanding during the year.
- Net profit ratio improved due to increase in profit after tax during the year.
- Return on Capital Employed increased due to higher EBIT during the current year.
- Return on investment decreased due to reduction in yields earned on fixed deposit investments during the year.
- The Company has not presented Inventory turnover ratio since it holds inventory for consumption in the service of food and beverages and the proportion of such inventory is insignificant to total assets.

**51.** The Group has a policy of conducting physical verification of fixed assets once every three years in a phased manner. In line with this policy, physical verification was carried out during the financial year 2025–26. Discrepancies identified during the verification will be duly adjusted in the books of account.
